Lincoln Certified Pre-Owned 200-Point Vehicle Inspection ...

Testing the brakes is one of the most important parts of this annual vehicle inspection checklist, as no matter who you are, what you drive, or how fast you drive it, you need to be able to stop or at least slow down when required.. Test the brakes by stopping from a speed of 30mph, and then again from highway speed. If the pedal or brake feels like it's pulsing, then it needs replacing.
