Dermatophytosis is an infectious and contagious superficial fungal skin disease of dogs and cats. The disease is not life threatening and will resolve without intervention; however, treatment is recommended to shorten the course of infection and limit transmission. This article summarises the major learning points identified in a recent evidence-based review on this disease ([Moriello and ...

This guide tells you the basics on Traditional Chinese Medicine: the theory, the structure, the principles, and the practice in a simple, easy to understand and patient-friendly way. This is part one of a series by expert George Cooper MA (Oxon), BSc Hons, PGDip Herb, MATCM. I first walked into a Chinese medicine clinic 23 years ago in Australia.
