I didn't really care for this particular story as much as the other stories in the Shade of a Vampire series. I thought this one was a little boring in some parts and kind of dragged on. I like how the author is

creative in her writing but the fact that she keeps adding on all these new supernatural characters is getting a bit extreme and hard to keep track of.

Stars A Shadow of Light is the fourth book in the A Shade of Vampire series. I will have to say, this was not my favorite book in the series. Yet again, Derek and Sofia separate and this time, it's much longer than last time.

A Shadow of Light (A Shade of Vampire, #4) by Bella Forrest

Never gets old You would think by book 18 that one would grow tired of The Shade. Well that is not the case I love how Bella introduced a new character and I thought I wouldn't hear about Rose and Caleb anymore well that wasn't the case at all. Derek, Sofia, Rose, Caleb, Ben, and now River it's all too much I can't wait to return to the shade.
