The book presents and discusses conspiracy theories related to several notable events in the history of the United States. Ventura argues that events such as the assassinations of former U.S. Presidents Abraham Lincoln and John F. Kennedy, the assassinations of Martin Luther King, Jr., Malcolm X and Robert F. Kennedy, the Watergate scandal, the Jonestown Massacre, the elections of former U.S. President George W. Bush, and the financial crisis of 2007–2010 need to be more thoroughly . . .

**Conspiracy Theory with Jesse
Ventura (TV Series 2009-) -
IMDb**

Jesse Ventura and Dick Russell have done some thorough research to present some interesting arguments for a number of conspiracies throughout American history. The great thing about this book is that they try to avoid the sensationalism associated with the word 'conspiracy' by providing a lucide definition of what they mean by conspiracy - forget aliens and faked moonlanding claims.
