This is the very first anthology of Ethiopian poetry in English, packed with all the energy, wit and heartache of a beautiful country and language. From folk and religious poems, warrior boasts, praises of women and kings and modern plumbing; through a flowering of literary poets in the twentieth century; right up to thirty of the most exciting contemporary Amharic poets working both inside and outside the country. These poems ask what it means to be Ethiopian today, part of a young fast-growing economy, heirs to the one African state which was never colonised, but beset by deep political, ethnic and moral problems.

Danez Smith is our president Homie is Danez Smith's magnificent anthem about the saving grace of friendship. Rooted in the loss of one of Smith's close friends, this book comes out of the search for joy and intimacy within a nation where both can seem scarce and getting scarcer. In poems of rare power and generosity, Smith acknowledges that in a country overrun by violence, xenophobia, and disparity, and in a body defined by race, queerness, and diagnosis, it can be hard to survive, even harder to remember reasons for living. But then the phone lights up, or a shout comes up to the window, and family-blood and chosen-arrives with just the right food and some redemption. Part friendship diary, part bright elegy, part war cry, Homie is the exuberant new book written for Danez and for Danez's friends and for you and for yours.

The acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation," All About Love is a revelation about what causes a polarized society and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in All About Love. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

ETHIOPIA is a compendium on Ethiopia and Northeast Africa for travellers, students, businessmen, people interested in Africa, policymakers and organisations. In this book 85 specialists from 15 countries write about the land of our fossil ancestor 'Lucy', about its rock-hewn churches and national parks, about the coexistence of Christians and Muslims, and about strange cultures, but also about contemporary developments and major challenges to the region. Across ten chapters they describe the land and people, its history, cultures, religions, society and politics, as well as recent issues and unique destinations, documented with tables, maps, further reading suggestions and photos.

These volumes offer a one-stop resource for researching the lives, customs, and cultures of Africa's nations and peoples. • Supplies entries that are more extensive than in most comparable encyclopedic works • Arranges content alphabetically by country, then by topic, with suggestions for further reading following each • Includes contributions from numerous eminent scholars of African history • Provides a clear African voice via entries from scholars from the African continent
