Available in English translation, this book is one of a collection of leading Indian post-independence novels. Each text is supported with an introduction and either detailed footnotes or a glossary as appropriate. Publication coincides with the 50th anniversary of Indian independence.

The idea behind this book is that in complex societies like our own there are different worlds of literacy that exist side by side. This book presents a range of case studies describing some of these worlds of literacy and is carefully organised by theme, so as to bring out both the differences and connections between them.

Trying to protect his foster parents, Finn Gallagher lies to Tamsyn Masters when she appears at him home looking for her mother.

The war for Indian independence may have ended in 1947, but for the Indian journalists working in an American news bureau in Delhi, it is still far from over 45 years later. Only Hari Rana can bridge the gap between East and West. His mission takes him to America, changing him fundamentally.

The First Promise is a translation of Ashapura Debi's novel, Pratham Pratishruti, originally published in Bengali in 1964. Celebrated as one of the most popular and path-breaking novels of its time, it has received continual critical acclaim: the Rabindra Puraskar (the Tagore Prize) in 1966 and the Bharatiya Jnanpith, India's highest literary award, in 1977. Spanning the late eighteenth and early twentieth centuries, Ashapura tells the story of the struggles and efforts of women in nineteenth-century, colonial Bengal in a deceptively easy and conversational style. The charming eight-year-old heroine, Satyabati is a child bride who leaves her husband's village for Calcutta, the capital of British India where she is caught in the social dynamics of women's education, social reform agendas, modern medicine and urban entertainment. As she makes her way through this complex maze, making sense of the rapidly changing world around her, Satyabati nurtures hopes and aspirations for her daughter. But the promises held out by modernity turn out to be empty, instigating Satyabati to break away from her inherited world and initiate a quest that takes her to the very heart of tradition.

The novel, Srikanta, depicts the story of a vagabond young man who wandered from one place to another harbouring some inexplicable yearning. He remained a stoic all his life even as he lived among beautiful women. He lived apathetic to worldly pleasures. He was dear to all but belonged to none. An immortal piece of work, the novel was written by globally renowned Bengalee story-teller Sharat Chandra Chattopadhyay.
