Outline

How to Write a Compare & Contrast Paper in APA Style. The American Psychological Association 's style format, called APA style, is a set of guidelines for writing research papers in the social sciences discipline. Characterized by four major sections -- including a title page, abstract, main body and reference list -- APA style requires students to write clear and concise arguments while also providing resources for the information presented in the paper.

How to Write a Compare & Contrast Paper in APA Style | Pen ...
On the top level of an outline for research paper, there are the three main sections: Introduction, Main body, and Conclusion. Each of these sections has several subsections. Your document can have a complex structure, especially if the main body is going to be big.
