Oliver Wolf Sacks, CBE FRCP was a neurologist, naturalist, historian of science, and author. Born in Britain, and mostly educated there, he spent his career in the United States. He believed that the brain is the "most incredible thing in the universe". He became widely known for writing best-selling case histories about both his patients' and his own disorders and unusual experiences, with some of his books adapted for plays by major playwrights, feature films, animated short films, opera, danc
