This book series assumes you know nothing about programming. Book 2: Flying with Objective-C builds on what you learned in Book 1: Diving In. In the first two chapters, the author helps you understand basic concepts, such as "what is a class?" and "what is an object?"

This first book in the series from Kevin McNeish is specifically designed to teach non-programmers how to create Apps for the iPhone and iPad.

A vital resource for pilots, instructors, and students, from the most trusted source of aeronautic information.

Updated for iOS 7 and Xcode 5 Review "I have spent a small fortune on beginner programming books that have consistently left me scratching my head. I've often wondered if I just didn't have the ability to learn and grasp the subject. But, in this book I've found the answer: I can." - TL Pearce Unleash Your Inner App Developer This second book in the series from Kevin McNeish, winner of the 2012 Publishing Innovation Award, highly acclaimed iOS trainer and conference speaker, and award-winning App Developer, is specifically designed to teach non-programmers Objective-C; the language used to create Apps for the iPhone and iPad. Many books designed for the beginning Apple developer assume way too much. In contrast, this book series assumes you know nothing about programming. Book 2: Flying with Objective-C builds on what you learned in Book 1: Diving In. In the first two chapters, the author helps you understand basic concepts, such as "what is a class?" and "what is an object?" You then learn how to pass messages to objects, and then create your own custom classes. As you go through the book, concepts become more advanced until you reach the final chapters on Advanced-Objective-C and Advanced Messaging. Each concept is accompanied by step-by-step instructions to build an App that shows the real-world use of Objective-C programming features. This is a tremendous aid in helping non-programmers grasp even more advanced concepts. The information in this book is applicable to the latest iOS technologies including iOS 7 and Xcode 5. Includes Step-by-Step Instructional Videos Each exercise in this book has a corresponding movie that demonstrates how to perform the exercise. After trying to solve the exercise on your own, just tap the movie to watch the exercise solved for you in high quality video and narrative Not a "Dumbed Down" Series Ultimately, readers will learn everything that is taught in the regular written-for-programmer books. This series simply provides more background information and more thorough explanations for those who haven't had formal education or a career in software development.

Score and Prepare well in the 10th Class Board Examination with Gurukul's newly introduced CBSE Chapterwise Objective MCQs for Term I Exam.This practice book Includes all subject papers such as Hindi A & B, English, Mathematics, Science, and Social Science. Objective Key offers students complete, official preparation for the Cambridge English: Key (KET) exam. A revised edition of Objective KET, short units offer a variety of lively topics while providing training in exam skills and solid language development. 'Key words' sections informed by English Profile, highlight the words and meanings A2-level students need to master. 'Spelling Spots' and 'Grammar Extra' boxes, informed by the Cambridge English Corpus, provide help with language points that Key students can find difficult. Regular Exam folders and Writing folders provide systematic exam preparation. The CD-ROM provides activities and games for practice of the target language. The Practice Test Booklet contains two tests for Cambridge English: Key for Schools.

Third edition of the best-selling Cambridge English: First (FCE) course. The Student's Book contains fresh, updated texts and artwork that provide solid language development, lively class discussion and training in exams skills. The 24 topic-based units include examples from the Cambridge English Corpus to highlight common learner errors while vocabulary sections informed by the English Vocabulary Profile ensure that students are learning the most useful language required at this level. A phrasal verb list provides a handy reference for students. The interactive CD-ROM provides comprehensive extra practice of the language and topics covered in the book.

Biology for NEET comprises a comprehensive set of question and answers based on current trends in the NEET. Strictly following the NCERT course/chapter structure, the book aims at preparing the students for competing in the medical entrance examinations in a better way. For convenience and to plan for the examinations effectively, questions have been arranged both chapter-wise and topic-wise, and explanation have been provided for answers. Further, to assess the students' level of preparation, Advanced Level Questions (ALQs) and Assertion-Reason Questions have been provided in each chapter. Also, the book has numerous previous years' questions to brush-up their knowledge.

Objective Key offers students complete, official preparation for the Cambridge English: Key (KET) exam. This is a revised and updated edition of Objective KET. Short units offer a variety of lively topics while providing training in exam skills and solid language development. The Teacher's Book contains teaching notes, extra teaching ideas to extend or shorten the length of the activities and clear, comprehensive answer keys. The Teacher's Resources Audio CD/CD-ROM contains: two complete practice tests with audio, 10 progress tests and photocopiable classroom activities. Also on the CD-ROM are the answers and recording scripts for the For Schools Pack Practice Test Booklet which is available separately.

Fourth edition of the best-selling Cambridge English: First (FCE) course, updated to prepare for the 2015 revised exam. The Student's Book without answers contains fresh, updated texts and artwork that provide solid language development, lively class discussion and training in exam skills. The 24 topic-based units include examples from the Cambridge English Corpus to highlight common learner errors, while vocabulary sections informed by the English Vocabulary Profile ensure that students are learning the most useful language required at this level. A phrasal verb list provides a handy reference. The interactive CD-ROM provides comprehensive extra practice of the language and topics covered in the book. Class Audio CDs containing the recordings for the listening exercises are available separately.
