Now updated for today's bullish real estate market, this is the go-to, classic entrepreneurial guide for landlords and real estate investors who want to buy and manage rental properties for long-term wealth. There's never been a better time for buying rental properties—interest rates are low and credit is more freely available to those who want to buy and invest. But where does one begin? With more than twenty plus years of experience in real estate and as the founder of The Landlord Property Management Academy, Bryan M. Chavis knows all phases and aspects of working with rental properties. In *Buy It, Rent It, Profit!* he explains why rental properties are such a wise investment in today's real estate world and outlines the steps and systems you need to implement to become a successful landlord and property manager. This updated edition of the modern classic includes advice on being a profitable and professional landlord, protecting your investment, learning what types of property you should be purchasing, and adapting to the ever-changing world of technology in real estate. Chavis also provides systems on how to attract quality tenants, negotiate lease agreements, collect rent, finance a mortgage, and manage the property overall—everything you need to become a smart, profitable, and professional property manager. In addition, this updated edition features a workbook section with easy-to-use, universal forms for leases, evictions, property evaluations, and more. *Buy It, Rent It, Profit!* is the ultimate how-to procedures manual for buying and managing rental properties and a practical, realistic tool you can follow to become a profitable landlord and property manager.

Demystify the process of evaluating, acquiring, and managing rental property and becoming a landlord with Landlord Academy founder Bryan Chavis's clear, step-by-step plan to make your dream of owning a multi-family property a reality. With interest rates at historic lows, there's never been a better time to buy rental property—and to hang on to it for long-term wealth building. Drawing on his ten years of experience managing and owning hundreds of rental properties, Bryan M. Chavis shows how you can leverage as little as \$10,000 into a lifelong stream of wealth using nothing more than good instincts, smart research, and a little elbow grease. Learn how to buy desirable properties, attract quality tenants, negotiate lease agreements, collect rent, finance a mortgage, and manage the property. From leases to property-evaluation documents, you'll find a complete tool kit in this book, which contains every form and checklist you need to run a single-unit apartment or an entire rental building. With added guidance from building-maintenance experts, property attorneys, and tenants' rights organizations, *Buy It, Rent It, Profit!* is the go-to guide for anyone interested in becoming a landlord and achieving profitable, consistent results.

On the surface, being a landlord seems pretty simple-you buy property, find renters, and the money rolls in. However, as all too many people have found out, it takes an incredible amount of know-how and hard work in order to be successful at it. *Idiot's Guides: Making Money with Rental Properties* is written by experts who have made the mistakes, learned the lessons, and have become highly successful at spotting properties with high rental potential, buying them at the right price and time, and finding tenants who pay on time and stay for the long haul. Readers will learn not only how to spot the right neighborhood and property, but how to buy it, when not to buy it, how to find the right tenants, how to manage the money flow, and more. In addition, readers will learn what to do when things go wrong, what legal protections they (as well as the tenants) have, and how to do it all without going broke and losing their minds in the process.
