Dr. MORI, Hiroshi, one of the most popular novelists in Japan, recognizes "The Sky Crawlers" as his masterpiece. This complete edition comes with Prologue, Episodes 1-5, and Epilogue. The animation movie version of the same title, directed by the masterful Mamoru Oshii, has attracted the global attention as well. "Kildren", who live eternally in adolescence unless they are killed in combat or commit suicide, innocently crave for being released from the curse of the gravity, and continue to ascend to the end of the clear blue sky. I can fall anytime. I can die anytime. With the resistance, we cannot fly. This work is the first installation of the serialized novels for the magnificent "The Sky Crawlers" series, and chronologically the last story in the timeline of the series. At the end of the book, "The Interview About The Sky Crawlers With Dr. MORI, Hiroshi" is also included.

A terrible Red King wars with an awful Queen, and together they battle into being a rigid, wrong world... and this book has everything you need to run it. (And any other place in your first, second, third, fourth or fifth edition game that might require intrigue, hidden gardens, inside-out-rooms, scheming monarchs, puzzles or beasts, liquid floors, labyrinths, growing, shrinking, duelling, broken time, Mome Raths, blasphemy, croquet, explanations for where players who missed sessions were, or the rotting arcades and parlors of a palace that was once the size of a nation.)

Move quickly to grab the best cards, but play them thoughtfully to ensure you have the most appealing bushes, paths, and ponds. Race to complete your garden quickly, or plan carefully to go for the big points!

The Celts are commonly considered to be one of the great peoples of Europe, with continuous racial, cultural and linguistic genealogy from the Iron Age to the modern-day 'Celtic fringe'. This book shows, in contrast, that the Celts, as they have been known and understood over two thousand years, are simply the 'other' of the dominant cultural and political traditions of Europe. It is this continuous 'otherness' which lends them apparent continuity and substance.

Macabre is a horror/fantasy short-stories novel written to entertain our senses and curiosity of the supernatural, paranormal, and mystical. You might have nightmares after reading Macabre or you might laugh. Either way, be prepared to be scared.
