History Guy: War List of Middle Eastern Conflicts

In 1956, Britain, France and Israel invaded the Sinai peninsula after Egypt nationalized the Suez canal because these waning empires feared further loss of power, this time of a major economic trading route entry point for the West to the rest of the Middle East.

Conflict Trends in the Middle East, 1989-2019 - PRIO

The prophecies of the Bible predict the Middle East conflict will escalate, with the Middle East becoming a center of war and violence that will end with the second coming of Jesus Christ. The book of Daniel speaks of a “King of the South” coming out of the Middle East and attacking the “king of the North,” meaning Europe (Daniel 11:40-41). This leader from the north will counterattack very swiftly and take the battle a step further by entering the “Glorious Land” (Israel).

Conflicts within the Middle East - Lawaspect.com

These four conflicts I have highlighted here are not the only ones in the region. There is conflict in Afghanistan, Pakistan, Libya, Lebanon, Yemen, Egypt, Sudan and Turkey. All of these conflicts are not independent cases, they all fall under the same tree. Constant turmoil, illegitimate leaders, corruption, sectarian differences just to name a few.

Mapping and Explaining Middle Eastern Conflict

A variety of factors explain the region’s seemingly chronic insecurity and persistent susceptibility to armed conflict, such as governance failures in most Arab countries, the still-unfolding consequences of the 2003 invasion of Iraq by the US-led coalition, and the complex relations and rivalries among regional powers.

3. Armed conflict and instability in the Middle East and ...

This third edition of Conflicts in the Middle East since 1945 analyzes the nature of conflict in the Middle East, with its racial, ethnic, political, cultural, religious and economic factors. Throughout the book Peter Hinchcliffe and Beverley Milton-Edwards put the main conflicts into their wider context, with thematic debates on issues such as the emergence of radical Islam, the resolution of conflicts, diplomacy and peace-making, and the role of the superpowers.
