The inspiring true story of "one of the country's finest educators" (National Review) and the school he changed forever. Under the leadership of highly unorthodox principal Dr. Ben Chavis, Oakland's American Indian Public Charter School was hailed as an "education miracle" by governor Arnold Schwarzenegger after it was transformed from a failing "nuisance" into one of the best public middle schools in the nation. This is the story of that transformation and of a man who dared to be different. With his rigorous, no-nonsense approach, Dr. Chavis debunks the myth that poor, minority, inner-city schools have little chance at academic excellence. Focusing on back-to-basics ideals, he has created a structured educational model that, combined with the enthusiasm of his students and teachers, delivers astounding results. In *Crazy Like a Fox*, Dr. Chavis recounts how he did it-in his own words and through the stories of the extraordinary young people he's helped.

In this thrilling new foxhunting mystery from New York Times bestselling author Rita Mae Brown, an investigation into a missing and valuable object flushes out murder, ghosts, and old family rivalries. Now "Sister" Jane Arnold and a pack of four-legged friends must catch the scent of a killer and unearth a long-buried truth. As the calendar turns, the crisp October winds bode well for this year's hunting season. But before the bugle sounds, Sister Jane takes a scenic drive up the Blue Ridge Mountains for a board meeting at the Museum of Hounds and Hunting. Brimming with colorful stories and mementos from hunts of yore, the mansion is plunged into mystery when a venerable hunting horn is stolen right out of its case. The only clue, on a left-behind cell phone, is what seems to be a "selfie" video of the horn's original owner, Wesley Carruthers--deceased since 1954. Odder still, Wesley's body was never found. When Sister makes a discovery that may explain his unsolved disappearance, it leads her back to the Jefferson Hunt at midcentury, with her faithful hounds at her side. But as the clues quickly mount, Sister is no longer sure if she's pursuing a priceless artifact, a thief, Wesley's killer . . . or a ghost. The only certainty is that someone wants to put Sister off the chase--perhaps permanently. Teeming with familiar and beloved characters, intrigue, and the rich local history of Virginia's horse country, *Crazy Like a Fox* races toward its stunning conclusion in full cry and packed with plenty of surprises. Once again, Rita Mae Brown dazzles and delights in her irresistible style, with a novel readers are certain to be crazy about. Praise for *Crazy Like a Fox* "If you can pick up *Crazy Like a Fox* and recognize the voices of Comet, a wise old gray fox; Dasher, a hound at the top of his game; and Golliwog, a snippy calico cat, you qualify as a member of the pack that surrounds Sister Jane Arnold, Master of Jefferson Hunt and the sleuth in Rita Mae Brown's enchanting novels set in the Virginia horse country. . . . Just the kind of story that adds to the charm of Brown's whimsical mysteries, with their thrilling hunts and intelligent animals."--The New York Times Book Review "Brown's animal characters, including horses, hounds, and foxes, have as much to say as the people, and Brown never misses an opportunity to interject her own social commentary. This will appeal . . . to fans of Brown's Sneaky Pie novels."--Publishers Weekly

time.” In January 2020, when Fox News began to downplay COVID-19, the President was quick to agree. In March, as the deadly virus spiraled out of control, Sean Hannity mocked “coronavirus hysteria” as a “new hoax” from the left. Millions of Americans took Hannity and Trump's words as truth—until some of them started to get sick. In *Hoax*, CNN anchor and chief media correspondent Brian Stelter tells the twisted story of the relationship between Donald Trump and Fox News. From the moment Trump glided down the golden escalator to announce his candidacy in the 2016 presidential election to his acquittal on two articles of impeachment in early 2020, Fox hosts spread his lies and smeared his enemies. Over the course of two years, Stelter spoke with over 250 current and former Fox insiders in an effort to understand the inner workings of Rupert Murdoch's multibillion-dollar media empire. Some of the confessions are alarming. “We don't really believe all this stuff,” a producer says. “We just tell other people to believe it.” At the center of the story lies Sean Hannity, a college dropout who, following the death of Fox News mastermind Roger Ailes, reigns supreme at the network that pays him \$30 million a year. Stelter describes the raging tensions inside Fox between the Trump loyalists and the few remaining journalists. He reveals why former chief news anchor Shep Smith resigned in disgust in 2019; why a former anchor said “if I stay here I'll get cancer;” and how Trump has exploited the leadership vacuum at the top to effectively seize control of the network. Including never before reported details, *Hoax* exposes the media personalities who, though morally bankrupt, profit outrageously by promoting the President's propaganda and radicalizing the American right. It is a book for anyone who reads the news and wonders: How did this happen?
