After creating a mess at the local fire station while taking a tour, George is swept along with the firefighters to the scene of a fire. Although he isn't able to help put out the fire, George brings his own set of special monkey talents to the situation and proves that maybe a fire dog shouldn't be the only animal allowed to come along for the ride.

Curious George is at it again. The silly little monkey is exploring in this cute, little story just as he always does. The man with the yellow hat leaves him alone for a matter of seconds while visiting a fire station. The pole is a fun ride for a monkey, yet leads to an awry adventure that no one other than Curious George could take.
