about beauty, time periods, black and white film, as well as cutting edge techniques such as air brushing makeup for computer-generated movies, and makeup effects. High definition (HD) technology has revolutionized the techniques needed by makeup artists--you need to know more, have more talent, and be more detailed than ever before. Because HD emphasizes every detail on screen, it's essential for makeup artists to know how to achieve a desired "look" that fits the director's requirements. This book will help professional and aspiring makeup artists to hone their craft in both conventional and HD techniques.

If you're looking for an escape from ordinary life, the adventure starts here. The Explorer's Guide to Drawing Fantasy Creatures brings to light a fantastic realm of creatures so elusive and remote, they can be found only in myths, nightmares, and the work of artists like you. With years of perilous creature-drawing adventures behind her, Emily Fiegenschuh leads you step by step through the entire process, from expressive gesture drawings to beautifully detailed artwork, right down to all the gruesome details--like how to draw the leathery wings of dragons, the Minotaur's impressive physique, and the brilliant plumage of the Hook-Legged Bodeo. • 25 step-by-step demonstrations for creating a
