Framed for the brutal murders of his classmates by the mysterious Red Man, middle-school student Ganta Igarashii finds himself sentenced to death in the bizarre and fatal theme park/prison known as "Deadman Wonderland." The inmates of this insane penitentiary fight for survival every day to provide entertainment for the masses. Ganta is determined to survive Deadman Wonderland and clear his name, but the price may be his soul! Reads R to L (Japanese Style) for teen plus audiences.

Ganta enters the Carnival Corpse, a battle between two Branch of Sin users. Ganta's next opponent is a timid girl; can he even take her on? Meanwhile, deep in the bowels of the prison, the warden stands face to face with the Red Man. Who really murdered Ganta's friends? -- VIZ Media

Ganta Igarashi, who survived the murder of his entire middle school class, is sentenced to death at Deadman Wonderland, where he tries to learn the truth about his classmates' murders while being forced to duel the other prisoners.

Youkou lives in a future where organ transplants are common and available to all, but life's not as idyllic as it seems--it turns out a nefarious organization is using that technology for their own evil ends! Only the elite squad Jackalope has any chance of stopping them before it's too late.

Despite the loss of their leader, Scar Chain manages to defeat the Undertakers and escape, but Ganta and Shiro stay to fight on. Tamaki, the insane mastermind of Deadman Wonderland, initiates his next plan--the development and deployment of the Ninben, artificially created Deadmen--and Ganta's friend Azami is one of his first test subjects! -- VIZ Media

A dark and bloody manga series about two women fighting fate and finding love in each other--and don't miss the original light novels, also from Seven Seas! To vanquish the increasingly powerful Demon Lord, divine revelation ordained a party of heroes, each blessed with a unique power. That spelled trouble for Flum Apricot, a total weakling of a girl who has no idea what her power of "Inversion" even does. Betrayed and left behind with a wretched slave trader who enjoys nothing more than seeing his merchandise fight for their lives, Flum thinks all hope is lost--until she gets her hand on a massive, cursed sword. Finally, after so many years, she understands the nature of her power, and both she and her new companion Milkit are about to experience a huge "Inversion" of their fate!

After a disastrous journey to the wasteland beyond the school, Sho and the rest of the surviving students return to their fortress, only to discover an even deadlier danger waiting for them. Former friends must fight a final battle as Kazuo Umezz's horror classic careens toward an epic conclusion! -- VIZ Media

Ganta is recruited into Scar Chain, an antiestablishment group planning a mass prison escape. After a brief meeting with Shiro, he stands at a crossroads, but Nagi persuades him to take part in the escape. However, a traitor has already leaked the plan to the Undertakers, a unit specially formed to stamp out the rebels. -- VIZ Media
