he should not desire, but cannot resist. Melena Walsh has never forgotten the dashing Breed male who saved her life as a child. And with an unwanted—yet undeniable—desire igniting between them, Melena fears that Lazarus's protection may come at the price of her heart. **Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as we do.**

with her wonderful father's unwavering love, Melody always felt safe -- until a dreadful mine accident ripped her from her family's moorings. She was still devastated by her father's death when she left West Virginia with Haille to follow her mother's dream of becoming a model or actress. But first they stopped in Cape Cod to visit her father's family at last. Melody knew only that her grandparents had disowned their son when he married Haille -- just because she was an orphan, her mother said. Yet moments after Melody first laid eyes on dour, Bible-spouting Uncle Jacob, nervous Aunt Sara, and her cousins -- handsome Cary, whose twin, Laura, had been killed recently in a sailing accident, and sweet, deaf little May -- Haille announced that Melody was to live with them. Sleeping in Laura's old room, Melody was awash in a sea of grief and confusion, with only her beloved fiddle to comfort her. Then Cary revealed the truth he'd gleaned about her parents -- a sad shocking story that only puzzled her more. Melody knew nothing of the dark deceptions that would soon surface...the devastating betrayals she would face before she glimpsed the faint, beckoning lights of a safe harbor....

□Sexy and outrageous humor□ heat up this fun fantasy from the New York Times bestselling author of the Scarred Earth Saga (Romantic Times). I know what they see when they look at me. The charming, soft-spoken dragoness bred from the most powerful of royal bloodlines. A disguise stronger than any battle shield that allows me to keep all suitors at tail□s length. A technique that□s worked until him. Until Ragnar the Cunning, handsome barbarian warlord and warrior mage from the desolate Northlands. Unlike those who□ve come before him, he does not simply submit to my astounding charm and devastating smile. Instead, he dismisses me as vapid, useless and, to my great annoyance, rather stupid! Yet I□ll allow no male to dismiss me. Soon he□ll learn my worth, my many skills, and the strength of my will. For this one challenges me enough to make me want to ruthlessly taunt him, tease him and, finally,

"There's never a dull moment with these dragons. Fighting! Mayhem! Danger! . . . a fun read" from the New York Times bestselling author (Vampire Book Club). I was raised for battle. And as the first daughter of a warrior family, I've earned my reputation the hard way. Yet now I fight alongside uncivilized male Northland dragons who think a female is only good for breeding and waiting back home in the cave. But it's the foolish and foolhardy who would try to stop me, Rhona the Fearless, from doing what I do best—destroying the enemies of my kind. So the smartest thing wily barbarian Vigholf the Abhorrent can do for me is stay out of my way as we risk all on a deadly mission in enemy territory. I don't care if he's fascinated by me, even though he is as attractive as he is resourceful. He's having far too much fun putting me in difficult situations and testing my sense of duty to the limit. And I'm going to enjoy challenging his insufferable confidence, outwitting his schemes, and making him surrender in the wildest ways . . .
