A 2015 Newbery Honor Book & New York Times bestseller! Going to school and making new friends can be tough. But going to school and making new friends while wearing a bulky hearing aid strapped to your chest? That requires superpowers! In this funny, poignant graphic novel memoir, author/illustrator Cece Bell chronicles her hearing loss at a young age and her subsequent experiences with the Phonic Ear, a very powerful—and very awkward—hearing aid. The Phonic Ear gives Cece the ability to hear—sometimes things she shouldn ’ t—but also isolates her from her classmates. She really just wants to fit in and find a true friend, someone who appreciates her as she is. After some trouble, she is finally able to harness the power of the Phonic Ear and become “ EI Deafo, Listener for All. ” And more importantly, declare a place for herself in the world and find the friend she ’ s longed for.

Starting a new school is scary, even more so with a giant hearing aid strapped to your chest. At her old school, everyone in Cece's class was deaf. Here she is different. She is sure the kids are staring at the Phonic Ear, the powerful aid that will help her hear her teacher. Too bad it also seems certain to repel potential friends. Then Cece makes a startling discovery. With the Phonic Ear she can hear her teacher

not just in the classroom, but anywhere her teacher is in the school -- in the hallway ... in the teacher's lounge ... in the bathroom! This is power, maybe even superpower. Cece is on her way to becoming El Deafo, listener for all. But the funny thing about being a superhero is that it's just another way of feeling different ... and lonely. Can Cece channel her powers into finding the thing she wants most, a true friend?

The author recounts in graphic novel format her experiences with hearing loss at a young age, including using a bulky hearing aid, learning how to lip read, and determining her "superpower."

“ Yankee Doodle went to town / a-riding on a pony / stuck a feather in his hat / and called it macaroni. ” Many know the song “ Yankee Doodle Dandy, ” but few understand it. This unapologetically silly picture book reveals that the legendary ride to town (and the whole macaroni thing) was all suggested by Mr. Doodle ’ s overeager pony. This just makes Mr. Doodle cranky: “ I do not want macaroni. I do not want a feather. I do not want any other clothing, any other pasta, or any other parts of a bird. I do not want anything that they have in town! ” A historical note ends this colorful, comical take on a nonsensical old song.

A hopeful meditation on all the great (and challenging) parts of being human, I Am Human shows that it ’ s okay to make mistakes while also emphasizing the power of good choices by offering a kind word or smile or by saying “ I ’ m sorry. ” At its heart, this picture book is a celebration of empathy and compassion that lifts up the flawed fullness of humanity and encourages children to see themselves as part of one big imperfect family—millions strong.

The camp is a crowded and unfamiliar place, whose dusty floors, seemingly endless lines, and barbed wire fences begin to unravel the strong Kashino family ties. With the help of a friendly neighbor back home, Mitsi remains connected to Dash in spite of the hard times, holding on to the hope that the war will end soon and life will return to normal. Though they've lost their home, will the Kashino family also lose their sense of family?
