Online Textbook - Mr. Westenhaber

Most long-form literature, like a novel or a play, follows a pretty typical plot structure, also known as a plot arc. This type of plot has six elements:

Beginning/Exposition:
This is the very

In 1925, Lewis R
Freeman became a
correspondent for the
United States Navy
Fleet, living and
working among them.
Traveling all around
the Pacific Ocean,
Freeman observed
both the environment
and his fellow
travelers. Separated
into three sections,

Download Free Elements In

Stories of the Ships is a collection of narratives about this time in Freeman ' s life, depicting firsthand experiences and retelling the accounts and tales of the men that served in the Navy around this time. The first section, titled, Stories of the Ships introduces

Freeman ' s

background as a
correspondent and
discusses the

temperament of the
sailors. This section
also includes the tale
of an old ship that
sailed through most
of the seven
seas—the Cornwall.

The next section, Life
in the Fleet chronicles
Freeman ' s day-to-

day adventures, explaining his routines, responsibilities, and revealing his conversations with the crew members and captains. With nine chapters, this section contains the most stories and is the largest section of the book. Finally, the last section before the

Download Free Elements In

endnotes, America Arrives, examines the relationship between America and other countries such as France and Britain through the conversations and attitudes of the sailors from those other countries. Freeman recounts several discussions where he was

referred to being
unlike other
Americans. With
these three sections
and the endnotes,
Stories of the Ships
provides a thorough
account of the many
years Lewis R.
Freeman spent as a
correspondent.
Through the
depiction of real-life
conversations and

experiences collected
around the globe,
Stories of the Ships
by Lewis R. Freeman
is a fascinating
narrative that gives
modern day
audiences an intimate
and authentic
perspective on
nautical life. With the
focus on the United
States Navy Fleet,
Freeman provides

privileged

information on the innerworkings of the U.S Navy during the 20th century. This edition of Stories of the Ships by Lewis R. Freeman features a striking new cover design and is printed in a modern and readable font. With these accommodations,

Stories of the Ships is restored to modern standards, while preserving the original mastery of Lewis R. Freeman.
