intake interviewing, mental status examination, and suicide assessment. Fully revised, the fifth edition shines a brighter spotlight on the development of a multicultural orientation, the three principles of multicultural competency, collaborative goal-setting, the nature and process of working in crisis situations, and other key topics that will prepare you to enter your field with confidence, competence, and sensitivity.

A powerful resource and tool for preparing for two of the most important examinations in counselor preparation and credentialing - the National Counselor Examination for Licensure and Certification (NCE) and the Counselor Preparation Comprehensive Examination (CPCE). Mastering the National Counselor Examination and the Counselor Preparation Comprehensive Examination is specifically designed to help students preparing for the NCE or CPCE and professional counselors preparing to take the NCE as a licensure exam. This practical guide provides numerous sample questions, includes four full-length practice exams - two for the NCE and two for the CPCE - and presents pertinent information about the NCE and CPCE, including discussion of its rationale, structure, format, and scoring procedures. Readers have ample opportunities to test their knowledge and practice answering the types of questions that they will encounter on the exams. Fully updated to align with 2016 CACREP standards and current NCE/CPCE content, the 3rd Edition includes new test preparation items, additional case studies, and a revised glossary of key terms. An updated Chapter 1 includes test-taking strategies, and a revised Chapter 9 focuses on
