[Engineering Tribology by Williams, John - Amazon.ae](#)

Tribology The word tribology was coined only just over twenty years ago and appears in only the most up to date of dictionaries; however, the topics with which tribologists are concerned have been of vital interest to scientists, engineers, and those who design or operate machinery, for as long as mechanical devices have existed.

[Introduction \(Chapter 1\) - Engineering Tribology](#)

Richard Price Williams was born on 22 November 1827 in London, a son of Doctor John Morgan Williams, of Bridgend, Glamorgan. He was educated in London. He went on to become a pupil of George Heald, who was Thomas Brassey's engineer on the construction of the Lancaster,
