To help individuals prepare for the COC™ (formerly CPC-H®) examination, the AAPC has developed the COC™ Study Guide. In each chapter of the study guide, pertinent outpatient/facility coding principles are followed by coding scenarios related to that chapter. The study guide is not an introduction to coding but a review of coding concepts.

This book, by Alan A. Tait, is an examination of VAT. It looks at problems and theoretical options and potential impacts, as well as detailing the practical aspects of implementing new tax structures. The author advances arguments for and against alternative policies and illustrates his study with international examples from Europe, Latin America, Asia, and the Pacific. He suggests that countries can learn from each other's experiences with VAT.
