Evidence of Things Unseen: A Novel: Amazon.co.uk: Wiggins ...
In The Evidence of Things Unseen, Kaphar utilizes Catholic iconography as a ground on which to explore ideas beyond simple proselytization. Kaphar utilizes his whole vocabulary of formal innovation in this exhibition: canvases aggressively fold, crumple, undulate, and project from the wall, forcing themselves into the space of the viewer.

Things unseen are the x-rays and atomic radiation that figure largely in this story. The novel explores human fascination with discovery, invention, and the drive to understand the natural world. At the same time, it highlights the dangers and human cost of pursuing the unknown, the downside of technological progress. It is a love story, a history, a mystery story; and a critique of government ...

Falling in love during the Second World War, a soldier and a glassblower's daughter eventually have a son, who in adulthood finds his own love affair impacted by fallout of the atomic age. 35,000 first printing.

This poetic novel, by the acclaimed author of John Dollar, describes America at the brink of the Atomic Age. In the years between the two world wars, the future held more promise than peril, but there was evidence of things unseen that would transfigure our unquestioned trust in a safe future. Fos has returned to Tennessee from the trenches of France. Intrigued with electricity, bioluminescence, and especially x-rays, he believes in science and the future of technology. On a trip to the Outer Banks to study the Perseid meteor shower, he falls in love with Opal, whose father is a glassblower who can spin color out of light. Fos brings his new wife back to Knoxville where he runs a photography studio with his former Army buddy Flash. A witty rogue and a staunch disbeliever in Prohibition, Flash brings tragedy to the couple when his appetite for pleasure runs up against both the law and the Ku Klux Klan. Fos and Opal are forced to move to Opal's mother's farm on the Clinch River, and soon they have a son, Lightfoot. But when the New Deal claims their farm for the TVA, Fos seeks work at the Oak Ridge Laboratory -- Site X in the government's race to build the bomb. And it is there, when Opal falls ill with radiation poisoning, that Fos's great faith in science deserts him. Their lives have traveled with touching inevitability from their innocence and fascination with "things that glow" to the new world of manmade suns. Hypnotic and powerful, Evidence of Things Unseen constructs a heartbreaking arc through twentieth-century American life and belief.

The controversial writer contemplates the whole spectrum of contemporary American life, with a look at the problems and continuing plight of blacks in white America, by focusing on the Atlanta child murders and public reaction.

When high school junior Tommy Smythe goes missing, everyone has a theory about what happened to him. He was an odd kid, often deeply involved in particle physics, so maybe he just got distracted and wandered off. He was last seen at a pullout off the highway, so maybe someone snatched him. Tommy believes that everything is possible, and that until something can be proven false, it may be true. So as long as Tommy's whereabouts are undetermined, he could literally be anywhere.Told in a series of first-person narratives from people who knew Tommy, Evidence of Things Not Seen by award-winning author Lindsey Lane explores themes of loneliness, connectedness, and the role we play in creating our own realities.

Young widowed Charlotte Lewes leaves World War I England for Burma, falls in love with sailor John Dollar, and becomes marooned with him--and eight children--on a remote island

Winner of American Library Association Schneider Family Book Award! Bobby Phillips is an average fifteen-year-old-boy. Until the morning he wakes up and can't see himself in the mirror. Not blind, not dreaming-Bobby is just plain invisible. There doesn't seem to be any rhyme or reason to Bobby's new condition; even his dad the physicist can't figure it out. For Bobby that means no school, no friends, no life. He's a missing person. Then he meets Alicia. She's blind, and Bobby can't resist talking to her, trusting her. But people are starting to wonder where Bobby is. Bobby knows that his invisibility could have dangerous consequences for his family and that time is running out. He has to find out how to be seen again-before it's too late.

Evidence Unseen: Finding the Faith to Overcome is an exhibition of how an African American man successfully navigated the highs and lows of life in America. Frank Clay Jr.'s memoir tells his life's story of overcoming challenges personally, corporately, racially, and more. Clay shares intimate details of his life that include growing up in Philly in the 1960s in the midst of gang life, learning tough lessons while navigating adulthood through college, serving his country, and tackling career challenges in both corporate America and entrepreneurship. Throughout his narrative, Clay's story of perseverance and determination reminds others'especially African American males'that they too can rely on their faith and grit to put the past behind them, triumph over obstacles, create a loving family unit, and ultimately realize a divine purpose. This inspiring memoir captures the essence of a man's journey from childhood to manhood as he overcame adversity and challenges to attain the American dream.

There's a WAR Going on...and Your FAITH Is at Stake. Imagine for a minute that you are in a war. You're on the frontlines. You see the explosions And you smell the smoke. Wounded loved ones are falling around you, and you want to fight back; but the unseen enemy seems to be everywhere, and he seems to have the advantage. If only you could know the plans and strategies of this unseen enemy, then you could know where he will strike next and how to fight him. This war, of course, is not between two countries and is not waged with earthly weapons, but it is very real, and you are living in it right now. This war is spiritual, and the enemy you fight is not of this world but of the unseen spiritual world. In this newly revised and updated bestseller, Joe Beam reveal Satan's powerful weaponry -- his lies, deceptions, and manipulations -- and unmasks his strategy to destroy your life and those you care for. This is not a book of wild sensationalism; rather, it is a dedicated study of God's Word and a sharing of stories of tragedy and triumph. Open this book, uncover your enemy, and prepare for victory.

From acclaimed crime novelist Gar Anthony Haywood comes a riveting tale unlike any he's told before . . . Diane Edwards has spent the last eight months praying for a miracle after losing her son Adrian in a freak car accident at Seattle's Lakeridge Park. When she finds Adrian back in his bed one night alive and well and oblivious to his death,it appears her prayers have been answered. But this isn't the kind of miracle Diane was expecting, because she soon learns Adrian is not the only one who's forgotten that fateful day in Lakeridge Park. The entire world has no memory of it, with the exception of Diane and three other people: Michael Edwards,Diane's estranged husband and Adrian's father, Laura Carrillo,Adrian's teacher, who loved him almost as much as his parents did, Milton Weisman,The agnostic, sixty-eight-year-old widower and alcoholic who lost control of the car that killed Adrian in Lakeridge Park. Over the next six days, these four people must struggle to understand what Adrian's return to the living means, and why God Himself would choose them, and them alone, to play witness to it. In the end, all will learn that God's mercy knows no limits,but its permanence comes at a price.
