Book Review – Excel VBA: for Non-Programmers (Programming  
in Everyday Language) Posted on November 13, 2014 by Vitosh  
Posted in Review. The current article reviews a VBA book for MS  
Excel. First things first – I am not sure what should be done to  
pursue the non-IT people, that VBA is not something difficult and  
every hour you spend, trying to master it would pay out by saving  
20 others, pressing ctrl +arrows and copying endless ranges in  
Excel.
