Since they are unofficial events, they can follow any format. Schools, libraries, museums, parks, gym, and arenas all make great venues for community events. At some community events, teams get together and play a few rounds of the Robot Game using their own Challenge Sets (formerly known as Field Setup Kits).

FIRST LEGO League Explore events provide an opportunity for teams to showcase their work, meet other teams, and celebrate. An event can be as simple as a meeting of a team, families, and friends to share what was learned during the season. Larger events offer teams an opportunity to share and learn from one another.
