Fresh Catch creates a whole, rich world with vibrant characters who breathe and feel and long and hurt and love. With books I adore, I often read them twice. First to swallow them down whole with great glee, and a second time to Confession.

Fresh Catch | Talbot 's Cove, #11 by Kate Canterbury

A statue of Sir Hugh Myddelton stands on the green today, a tribute to the Tudor architect behind the New River, which opened in 1613 and brought fresh water to the capital from the River Lea. While the New River terminates near here and still flows today, some of it now runs underground, covered by the Canonbury Gardens and housing. Another famous London waterway, the Regent 's Canal, also ...
