GRIGOR is the 5th book in USA Today and Amazon #1 Bestselling Indie Author, Carole Mortimer's, paranormal series, DRAGON HEARTS. Author's Note: Beware of very sexy alpha dragon shifters on the hunt for their fated mates! Grigor Pendragon is nearer to turning feral than any of his brothers, of making that final shift and remaining in his dragon form. If— When this happens, his brothers will have no choice but to kill him, before he harms any humans, who for sixteen hundred years haven't known of their existence. The only thing that will stop Grigor's last and fatal shift is meeting and claiming his fated mate, the one woman meant just for him. Gayle Wilson is independent and outspoken, a computer geek, and she has no idea her sister, Holly, is now the mate of a dragon shifter, or that Dylan's seven brothers are also dragon shifters. What she does know is that she's being kept a virtual prisoner at Pendragon Castle, the family's home in North Wales, until her sister comes back from her trip away with Dylan. Gayle isn't at all impressed when Grigor, the eldest Pendragon brother, announces she belongs to him now, and then expects her to do exactly what he tells her to do. Admittedly, he's tall—very!—dark, and handsome, with muscles that go on for miles, but there's no way she's going to belong to anyone, least of all the arrogant and cold Grigor Pendragon. The first opportunity she gets she's getting out of there and going back to London, and to hell with the whole of the Pendragon family. But when danger starts stalking her, Grigor is the only one she can turn to for help.

DRAGON REUNION is the 8th and last book in USA Today and Amazon #1 Bestselling Author, Carole Mortimer's, paranormal dragon shifter series, DRAGON HEARTS. When billionaire Maddox Wilder's helicopter develops engine problems it forces the pilot to make an emergency landing in North Wales. With a heavy layer of snow on the ground, and a temperature approaching zero, Maddox seeks shelter in the local inn after his pilot volunteers to wait for the arrival of an engineer needed to make the necessary repairs. But Maddox doesn't remain at the inn for long, somehow feeling himself drawn toward Pendragon Castle perched high up on a nearby snow-covered mountain. Which is odd in itself, because the castle isn't shown in any of the maps for the area Maddox brings up on line. But the innkeeper assures him that Pendragon Castle exists and has been the property of the Pendragon family for centuries. Within minutes Maddox finds himself standing at the bottom of that mountain, staring up at the medieval fortress, unable to resist that almost magnetic pull drawing him closer and closer. Carys Evans is acting as temporary housekeeper for the Pendragon family while her mother recovers from having an operation and Carys can find a fulltime job of her own. It's as well the job at the castle is only temporary because Carys is a disaster at it. She's too young, too trusting, too outgoing, too everything for the very private Pendragon family. When the very tall, very dark, and extremely handsome Maddox Wilder comes calling Carys is instantly aware of the fierce and immediate attraction burning between the two of them, her whole body suddenly feeling alive and responsive in a way it never has before. The Pendragon brothers are less impressed with their visitor but refuse to allow Maddox Wilder to leave until he has explained exactly what he's doing visiting their castle. There is no way Maddox is going to confide in the arrogant Pendragon brothers that the 'voice in his head' told him to come here. Just as

that same voice is now telling him that Carys Evans is the woman he has waited his whole life to meet and that she belongs to him. Maddox quickly realizes the Pendragon brothers are hiding a secret that is even more shocking than his own. A secret that totally rocks Maddox's world and draws him relentlessly toward the truth of who and what he really is.

AERAN & RHYS is the 7th and last book in USA Today and Amazon #1 Bestselling Author, Carole Mortimer's, paranormal dragon shifter series, DRAGON HEARTS. Author's Note: Beware of very sexy alpha dragon shifters on the hunt for their fated mates! What happens when two dragon shifters, even two dragon shifter brothers, discover they have the same fated mate? Everyone knows dragons don't share. Especially two such different dragon shifters as Aeran & Rhys Pendragon. Aeran is tech savvy, a man of the 21st century, and Rhys is still the warrior he has been for the past sixteen centuries, living by the code of kill or be killed. Even more troublesome, their fated mate is the daughter of the man Aeran and Rhys helped condemn to death after he tried to kill the fated mate of their eldest brother, Grigor. Cristina doesn't know who she can trust when she finds herself alone and unprotected in London after her father's disappearance. She doesn't accept the help of Aeran and Rhys Pendragon when they suddenly appear in her life. She doesn't know either man, and her father never mentioned knowing them either, so who are they and what do they want from her? Unfortunately she doesn't have any choice but to accept Aeran and Rhys's protection after an attempt is made on her life. Finding herself suddenly alone with these two handsome and totally different men, Cristina quickly realizes she's attracted to both of them. Aeran and Rhys make it obvious they return that attraction. Cristina has no idea how she is supposed to choose between these two intensely determined men. She's even more confused when they assure her she doesn't have to, and ready to run when they explain the reason why she doesn't.

GARRETT is the 6th book in USA Today and Amazon #1 Bestselling Author, Carole Mortimer's, paranormal dragon shifter series, DRAGON HEARTS. Author's Note: Beware of very sexy alpha dragon shifters on the hunt for their fated mates! Garrett Pendragon and his seven brothers are all Welsh dragon shifters. He's been alive for over sixteen hundred years, fighting alongside his brothers through the centuries, and enjoying as many beautiful women as he could along the way. Five of his brothers might have found their fated mates in the last year but Garrett is more than happy to live another sixteen hundred years exactly as he has been, thank you very much. That all changes the moment he meets Billie Rider and recognises her as his fated mate. Except his beautiful mate has been sentenced to die, for having attempted to kill Gayle, his brother Grigor's fated mate, and stealing from the Russian bratva. Both under instruction from the Romanian mafia, who are also now anxious to eliminate her. But things aren't always what they appear to be, and it's up to Garrett to prove Billie's innocence, to his brothers and the Russian bratva, if he wants their help keeping his mate alive. Garrett isn't sure which is going to be more difficult, saving Billie from all the people that want her dead, or convincing this feisty woman she's his fated mate.

KIERAN (Dance with the Devil 5) is the last book in USA Today and Amazon International #1 Bestselling Author, Carole Mortimer's, Contemporary Romance series, Dance with the Devil. Author Note – It isn't necessary to read all of the previous books in this series before reading Kieran but there are possible spoilers in Kieran's book for JERICHO (Dance with the Devil 4) The first time Kieran set eyes on Janina was in a cold and dark Moscow cellar. She was pointing a gun in his direction as she stood protectively over the man Kieran had come to Russia to find. Not an auspicious beginning but surely it couldn't get any worse? Except...it did. Once back in the States, Kieran is tasked with ensuring Janina's safety. Not so easy to do when every time he's alone with her all he wants to do is to throw her down on the nearest flat surface and make love to her. HAYDN (Steele Protectors 5) is the 5th book in USA Today and Amazon #1 Bestselling Author, Carole Mortimer's, ALL Amazon #1 Bestselling Contemporary Romantic Suspense series, Steele Protectors. Author's Note: Beware of the very sexy & very alpha Steele brothers. These books are HOT! When Haydn Steele left the army five years ago he vowed to leave his life as a military sniper behind him and instead concentrate on his equally lethal abilities as one of the most accomplished computer hackers in the world. She keeps herself, and her private life, exactly that. Private. Including the feelings she has for Haydn Steele. She's wanted Haydn from the moment she met him but she won't allow him to be put in danger by becoming embroiled with her and the demons from her past. But keeping secrets from a man like Haydn is virtually impossible. Literally. Stopping him from becoming involved once he knows what those secrets are, even more so. Wicked Captive is the 5th book in USA Today Bestseller and Amazon #1 Author, Carole Mortimer's, Regency Sinners series. Author's Note: All the books in the very hot Regency Sinners series are complete and HEA stories. Books in the series are connected by the friendship of the heroes. Lord Jericho Black, the Marquis of Wessex, is not looking forward to the visit of his ward, Lady Jocelyn Forbes, to his Devonshire home. Jocey is not actually Jericho's ward but his father's. But as his father lives permanently in Scotland, and is considered to be eccentric by polite members of Society and more than a little strange by the majority, Jericho has taken it upon himself to act as Jocey's guardian in his father's stead these past three years. A bachelor of five and thirty, Jericho finds the role of guardian to a young lady difficult enough at the best of times, but finding himself charged with the unpleasant duty of proving or disproving whether Jocey is guilty of treason, is going to make this visit even more taxing than usual. Jocey is looking forward to seeing and being with Lord Jericho Black again, the man she has secretly been in love with since he became her guardian when she reached the age of eighteen. She is no longer that gauche and awkward young girl, and she is determined Jericho will now see her as a desirable woman, and worthy of his attention. From the moment Jocey arrives in Devon, even more beautiful than Jericho remembers her to be, and possessed of the sophistication and confidence of a woman who knows her own mind, Jericho quickly realizes it is not irritation he now feels toward Jocey but desire. A desire he is finding it more and more difficult to resist. When Jericho receives the shocking news of one close friend's unexpected death, and the serious injury of another, it becomes imperative he learn the truth as quickly as possible, so as to avoid more blood being shed. Even if it requires Jericho make Jocey his prisoner and seduce the truth from her.

The Russian Dragon series you've all been asking for! VLADIMIR (Russian Dragon Heat 1) is the first book in the much requested Russian Dragon Heat series. It has passion and excitement, with visits from several characters from my previous dragon shifter series, Dragon Hearts. At a thousand years old, Vladimir is the eldest of the seven remaining dragon-shifter Romanov brothers. Having lived all those years with the hope of one day meeting his fated mate, he can't believe it when he realises his mate is

the female dragon hunter who tried to kill his brother, Vaughn. Not only can't Vladimir believe it, he fights against accepting it. Tanya holds all of the Romanov brothers responsible, not only for the deaths of her parents ten years ago, but because she and her brother were afterwards sent to one of the notorious Russian orphanages to survive as best they could. After months and years of planning, Tanya is devastated when her attempt to kill one of the fierce Romanov dragon-shifter brothers is unsuccessful. Instead, she once again finds herself incarcerated against her will, this time at the Romanovs' winter palace, as she waits to learn her fate. Tanya knows nothing of a dragon-shifter's fated mate, but she certainly has no intention of ever becoming that to the arrogant and cold Vladimir Romanov.

VIKTOR (Russian Dragon Heat 3) is the third book in the Amazon #1 Russian Dragon Heat paranormal series. These stories have passion and danger, with the occasional visit from characters in my previous dragon shifter series, Dragon Hearts. As a 600-year-old Russian dragon shifter, Viktor has accepted his fate is to be alone until he reaches the end of his very long life. At least he had, until two of his brothers recently found their fated mates. Still, he was only flying over the island that day on his way to somewhere else, before he sensed her. His fated mate, the one woman meant for him. She was down there, on an island he discovered was full of myth and legend, with a history of wrecked Viking ships, and a bridge where the locals waved to the fairies 'for luck' as they passed over it and visitors made wishes. A land from which, when Viktor landed as dragon on the top of the island's only mountain, he was able to see the Seven Kingdom of this Isle of Man. The island itself. Scotland. Ireland. England. Wales. The sky. And lastly the Irish sea, ruled over by the mythical Celtic god, Manannan. Surely if any woman could accept the existence of dragon shifters, could accept him as her mate, it would be one from this unique and magical island?
