4 Tips from the Guide to Getting It On 1. "Couples don't hesitate to get books and magazines on travel, business, and gardening—and they spend time discussing these subjects. That's not always true with sex. You don't need to look at hard-core magazines—consider something more classy, like a book by a good erotic photographer.

A fully revised and updated edition of the category leader. Includes two new chapters and 5 new illustrations.

Covers many aspects of adult human sexuality, with a brief historical and educational overview of the body and detailed descriptions of various techniques, acts, and fantasies.

Covers many aspects of adult human sexuality, with a brief historical and educational overview of the body and detailed descriptions of various techniques, acts, and fantasies.

The author shares anecdotes, advice, and cringe-inducing jokes based on her own experiences of being an insecure misfit, and counsels readers on fitness, grooming, and pursuing healthy goals.

"A comprehensive and fun-to-read guidebook for people of all sexual identities and experience levels, Getting It covers all the bases of hook-up culture from first moves and sex etiquette to navigating nonmonogamy and sexual health!"-

Now updated for 2015! The best, most comprehensive guide for writers is now revised and updated, with new sections on ebooks, self-publishing, crowd-funding through Kickstarter, blogging, increasing visibility via online marketing, micropublishing, the power of social media and author websites, and more—making The Essential Guide to Getting Your Book Published more vital than ever for anyone who wants to mine that great idea and turn it into a successfully published book. Written by experts with twenty-five books between them as well as many years ' experience as a literary agent (Eckstut) and a book doctor (Sterry), this nuts-and-bolts guide demystifies every step of the publishing process: how to come up with a blockbuster title, create a selling proposal, find the right agent, understand a book contract, and develop marketing and publicity savvy. Includes interviews with hundreds of publishing insiders and authors, including Seth Godin, Neil Gaiman, Amy Bloom, Margaret Atwood, Leonard Lopate, plus agents, editors, and booksellers; sidebars featuring real-life publishing success stories; sample proposals, query letters, and an entirely updated resources and publishers directory.

Since 2001 William Germano's Getting It Published has helped thousands of scholars develop a compelling book proposal, find the right academic publisher, evaluate a contract, handle the review process, and, finally, emerge as published authors. But a lot has changed in the past seven years. With the publishing world both more competitive and more confusing - especially given the increased availability of electronic resources - this second edition of Germano's best-selling guide has arrived at just the right moment. As he writes in a new chapter, the "via electronica" now touches every aspect of writing and publishing. And although scholars now research, write, and gain tenure in a digital world, they must continue to ensure that their work meets the requirements of their institutions and the needs of their readers. Germano, a veteran editor with experience in both the university press and commercial worlds, knows this audience. This second edition will teach readers how to think about, describe, and pitch their manuscripts before they submit them. They'll discover the finer points of publishing etiquette, including how to approach a busy editor and how to work with other publishing professionals on matters of design, marketing, and publicity. In a new afterword, they'll also find helpful advice on what they can - and must - do to promote their work. A true insider's guide to academic publishing, the second edition of Getting It Published will help authors understand what to expect from the publishing process, from manuscript to finished book and beyond.

Just say "No, thank you!" to bad manners! This informative primer teaches you how to get it right the first time, and does so with incisive humor and flair. Avoid faux pas in all areas of your life, from everyday conversation (hint: it's not about you) to how to behave at ceremonies and special occasions, to correspondence, "yell" phone use, and cubicle hopping.

Definitive in every way, Ugly Christmas Sweater Party Book includes the history of the event, how to throw the perfect party, what to wear, and how to judge the all-important ugly Christmas sweater contest. But most important, Ugly Christmas Sweater Party Book is packed with more than 100 hilarious, full-color photos of outrageously ugly Christmas sweaters, including Scarf Face, Wrath Witherspoon, and Ryan Treecrest. It ' s a must-have for the millions who plan to throw or attend an ugly Christmas sweater party, and a sidesplitting look at the funniest, craziest, most unbelievable holiday sweaters you can imagine—authorized by Team Ugly, the recognized experts on ugly Christmas sweater parties. Praise for Ugly Christmas Sweater Party Book: " Part party primer, part not-so-tongue-in-cheek appraisal of holiday sweater fashion, this title delivers on both aspects." —Library Journal

AARP Digital Editions offer you practical tips, proven solutions, and expert guidance. In Still Procrastinating?, Joseph Ferrari will help you find out why you put things off and learn how to conquer procrastination for good. Do you ever say to yourself "What if I make a bad decision?," "What if I fail?," or "I'm better under pressure"? There are all sorts of reasons people procrastinate. What are yours? This book draws on scientific research on procrastination conducted over more than twenty years by the author and his colleagues, to help you learn what stops you from getting things done so that you can find the solutions that will really work. Contrary to conventional wisdom, chronic procrastination is not about poor time management, but about self-sabotaging tendencies that can prevent you from reaching your full potential. This book gives you the knowledge and tools you need to understand and overcome these tendencies so you can start achieving your goals—not next week, next month, or next year, but today! Exposes the hidden causes of procrastination, including fear of failure, fear of success, and thrill-seeking Identifies types of procrastinators and helps determine which type describes you Shares surprising information on how factors such as technology and the time of day affect procrastination Examines specific issues related to putting things off in school and at work Shares more than twenty years of research on the causes and consequences of chronic procrastination Written by a psychologist who is an international expert on the subject of procrastination Are you still procrastinating? This take-charge guide will help you stop making excuses and start transforming your life--right now.
