American Art
Paperback

Internationalizing (or
globalizing) U.S. history
is an umbrella term for
several methods of
broadening the view of
U.S. history to include
the world beyond its
borders. It includes, but
is not limited to, use of
national comparisons,
studying transnational
phenomena, and

Download Free I nternationalizin

considering larger
regional and global
contexts for local and
national events.

as an “international” American art history.

The former describes an aspiration and a process, while the latter refers to a condition, more precisely the condition in which not only artists and art historians but art and the institutions that house and care for it now exist.
