ITALO DISCO STORY. Il dominio italiano sulla 'dance culture' degli anni '80. Analisi di un fenomeno musicalmente e artisticamente dominante che, a distanza di quasi trent'anni dal suo avvento, vanta milioni di cultori e di appassionati in ogni parte del mondo. Snobbato dalla critica, dai media tradizionali e dalle majors della musica, l'Italo Disco rimane ancora un fenomeno 'tutto italiano' commercialmente ineguagliato, ma poco compreso ed, in massima parte, sconosciuto.

della musica, l'Italo Disco rimane ancora un fenomeno 'tutto italiano' commercialmente ineguagliato, ma poco compreso ed, in massima parte, sconosciuto.

ITALIAN DOMINANCE ON THE DANCE CULTURE OF 80's.  
The only book in the world that tells the true story of Italian disco music through the artistic events of the most representative characters, with interviews, statements and news unpublished.

Peace, Love, Unity, and Respect. Cultural liberation and musical innovation. Pyrotechnics, bottle service, bass drops, and molly. Electronic dance music has been a vital force for more than three decades now, and has undergone transformation upon transformation as it has taken over the world. In this searching,

## Download Ebook Italo Disco Story Nuova Edizione

lyrical account of dance music culture worldwide, Matthew Collin takes stock of its highest highs and lowest lows across its global trajectory. Through firsthand reportage and interviews with clubbers and DJs, Collin documents the itinerant musical form from its underground beginnings in New York, Chicago, and Detroit in the 1980s, to its explosions in Ibiza and Berlin, to today's mainstream music scenes in new frontiers like Las Vegas, Shanghai, and Dubai. Collin shows how its dizzying array of genres—from house, techno, and garage to drum and bass, dubstep, and psytrance—have given voice to locally specific struggles. For so many people in so many different places, electronic dance music has been caught up in the search for free cultural space: forming the soundtrack to liberation for South African youth after Apartheid; inspiring a psychedelic party culture in Israel; offering fleeting escape from—and at times

## Download Ebook Italo Disco Story Nuova Edizione

into corporatization in China; and even undergirding a veritable independent republic in a politically contested slice of the former Soviet Union. Full of admiration for the possibilities the music has opened up all over the world, Collin also unflinchingly probes where this utopianism has fallen short, whether the culture maintains its liberating possibilities today, and where it might go in the future.

A pioneering work in oral history, this book tells the story of the rise and fall of the industrial revolution and the apogee and crisis of the labor movement through an oral history of Terni, a steel town in Central Italy and the seat of the first large industrial enterprise in Italy. This story is told through a combination of stories, songs, myths and memories from over 200 voices of five generations,

woven with a wealth of archival material.

Lists top-recommended works by master composers from the past and present, providing a critical assessment of specific recordings and performances as identified by a team of leading music experts.

How to design a world in which we rely less on stuff, and more on people. We're filling up the world with technology and devices, but we've lost sight of an important question: What is this stuff for?

What value does it add to our lives? So asks author John Thackara in his new book, *In the Bubble: Designing for a Complex World*.

These are tough questions for the pushers of technology to answer. Our economic system is centered on technology, so it would be no small matter if "tech" ceased to be an end-in-itself in our daily lives.

## Download Ebook Italo Disco Story Nuova Edizione

Technology is not going to go away, but the time to discuss the end it will serve is before we deploy it, not after. We need to ask what purpose will be served by the broadband communications, smart materials, wearable computing, and connected appliances that we're unleashing upon the world. We need to ask what impact all this stuff will have on our daily lives. Who will look after it, and how? In the Bubble is about a world based less on stuff and more on people. Thackara describes a transformation that is taking place now—not in a remote science fiction future; it's not about, as he puts it, "the schlock of the new" but about radical innovation already emerging in daily life. We are regaining respect for what people can do that technology can't. In the Bubble describes services designed to help people carry out daily activities in new ways. Many of these services involve technology—ranging from body implants to wide-

## Download Ebook Italo Disco Story Nuova Edizione

bodied jets. But objects and systems play a supporting role in a people-centered world. The design focus is on services, not things. And new principles—above all, lightness—inform the way these services are designed and used. At the heart of *In the Bubble* is a belief, informed by a wealth of real-world examples, that ethics and responsibility can inform design decisions without impeding social and technical innovation.

Tiki torches, cocktails, la dolce vita, and the music that popularized them—*Mondo Exotica* offers a behind-the-scenes look at the sounds and obsessions of the Space Age and Cold War period as well as the renewed interest in them evident in contemporary music and design. The music journalist and radio host Francesco Adinolfi provides extraordinary detail about artists, songs, albums, and soundtracks,

## Download Ebook Italo Disco Story Nuova Edizione

while also presenting an incisive analysis of the ethnic and cultural stereotypes embodied in exotica and related genres. In this encyclopedic account of films, books, TV programs, mixed drinks, and above all music, he balances a respect for exotica's artistic innovations with a critical assessment of what its popularity says about postwar society in the United States and Europe, and what its revival implies today. Adinolfi interviewed a number of exotica greats, and Mondo Exotica incorporates material from his interviews with Martin Denny, Esquivel, the Italian film composers Piero Piccioni and Piero Umiliani, and others. It begins with an extended look at the postwar popularity of exotica in the United States. Adinolfi describes how American bachelors and suburbanites embraced the Polynesian god Tiki as a symbol of escape and sexual liberation; how Les Baxter's album *Ritual of the*

## Download Ebook Italo Disco Story Nuova Edizione

Savage (1951) ushered in the exotica music craze; and how Martin Denny's Exotica built on that craze, hitting number one in 1957. Adinolfi chronicles the popularity of performers from Yma Sumac, "the Peruvian Nightingale," to Esquivel, who was described by Variety as "the Mexican Duke Ellington," to the chanteuses Eartha Kitt, Julie London, and Ann-Margret. He explores exotica's many sub-genres, including mood music, crime jazz, and spy music. Turning to Italy, he reconstructs the postwar years of la dolce vita, explaining how budget spy films, spaghetti westerns, soft-core porn movies, and other genres demonstrated an attraction to the foreign. Mondo Exotica includes a discography of albums, compilations, and remixes.
