Keinosuke Enoeda Tiger Of Shotokan

The York brothers have returned to the art of Shotokan karate-do 15 years after ... black belt status – passing his grading under Keinosuke Enoeda 8th Dan, the chief instructor in Europe for ...

The first of two books. It contains the complete syllabus required to take the student from absolute beginner to Green belt. Each section is clearly divided into separate levels for each kyu grade, incorporating all the appropriate techniques, sparring and kata.

"FOREWORD" for this magnificent book is written by 6 Time World Boxing Champion, M.C. Mary Kom. The remarkable part of this Karate book is that it is fully colored adorned with high-resolution photographs and its coffee-table size makes it a memorable and unique book in the world. This book is precious and useful for those Karateka who need to take in Shotokan style Karate from White Belt to Black Belt with the aim of full devotion towards learning and rehearsing Karate. Each pursuer of this book will know much about the fundamentals of Shotokan Kata. What's more, this book incorporates a portrayal of the positions of some advanced movements of the Shotokan style that are performed by me only, so that every Karateka can see clear photos and catch on it quickly in a simple manner. This book is composed for everyone who is inspired by the Shotokan Karate and needs to look behind credible Shotokan Karate more profoundly. For those, keen on extending their insight and improving their capacities with the applications depicted and delineated in this book, I recommend perusing this book completely to get each stance exhibited by me along with its full description about that particular stance so that it may be learned very well by the Karateka straight forwardly.

Describes the fundamental techniques and maneuvers of karate and illustrates nineteen different forms

Martial Arts Biographies: An Annotated Bibliography lists hundreds of martial arts related biographies and autobiographies. Most of the entries are annotated, giving a synopsis of the relevant material in the book. Included are listings for martial artists of Karate, Kung Fu, Aikido, Judo, Jiu Jitsu, Tae Kwon Do, Ninjutsu, Tai Chi, and many other styles. Appendices list productive sources for new and used books, and contact information for major publishers of martial arts books. Martial Arts Biographies: An Annotated Bibliography is a useful resource for martial arts researchers, readers, book collectors, and libraries.

Many books have been written about the origins of Karate-Do and the legendary masters who caused its meteoric rise into what has become a worldwide sporting phenomenon. Karate is practiced by tens of millions in over seventy countries. Although most of its practitioners are children, the majority of books that have been written are for adults. The Little Bubushi tells the story of karate and the amazing tales of its legendary masters in an enjoyable way that is intended for children. But the story is enjoyable for readers of all ages. The legends of Karate-Do are brought to life in its beautifully descriptive stories that tell of the heroics and steely determination that embody karate history. The peaceful philosophies behind this multi-layered martial art are too often overlooked, while its graphic fighting forms more often take center stage. Karate is explained simply, so children may gain a greater understanding of the true meaning and nature of Karate-Do. The Little Bubishi: A History of Karate for Children is essential reading for all young karate enthusiasts. Andrew Michael O'Brien has taught hundreds of children karate over three decades, and has always used storytelling to motivate them. I also realized that no books like this have ever been written for children. He lives in Cardiff, Wales, and is working on his next two children's books.
