Laughing Gas: Amazon.co.uk: Wodehouse, P. G.: Books

"Laughing Gas" is a rather appropriate title for a work by P.G. Wodehouse, since most, if not all, of his novels and short stories will have readers laughing out loud. This delightful romp set in 1930s Hollywood is no different, although not quite on par with some of his other works. Perhaps it is because the plot revolves around an entirely implausible event or perhaps it winds up being far ...

'A lifelong treat' Simon Garfield, Esquire A P.G. Wodehouse novel Joey Cooley is a golden-curl'd child film star, the idol of American motherhood. Reginald, Third Earl of Havershot, is a boxing blue on a mission to save his wayward cousin from the fleshpots of Hollywood. Both are under anaesthetic at the dentists when something strange happens - and their identities are swapped in the ether. Suddenly Joey can use his six-foot frame to get his own back on his Hollywood persecutors. But Reggie has to endure everything Joey had to put up with in the horrible life of a child star - including kidnap. Laughing Gas is Wodehouse's brilliantly funny take on the 'If I were you' theme - a wry look at the dangers of getting what you wish for in the movie business and beyond.

A Hollywood star and an English aristocrat exchange souls while under ether at the dentist and the result is mayhem. Though his golden curls and sweet expression make him the idol of mothers throughout America, Joey Cooley is a tough nut who wants nothing more than to revenge himself on the agents, directors and producers who make his life a misery, before escaping back to Ohio. When his soul is transplanted into the body of an English earl with a boxing Blue he has the chance to 'poke them all in the snoot'. Lord Havershot, meanwhile, finds himself under the thumb of the fierce Miss Brinkmeyer and terrorized by the boy stars Joey has supplanted. The result is Anglo-American farce with the lightest of touches.

Joey Cooley is a golden-curl'd child film star, the idol of American motherhood. Reginald, Third Earl of Havershot, is a boxing blue on a mission to save his wayward cousing from the fleshpots of Hollywood. Both are under anaesthetic at the dentist's when something strange happens - and their identities are swapped in the ether. Suddenly Joey can use his six-foot frame to get his own back on his Hollywood persecutors. But Reggie has to endure everything Joey had to put up with in the horrible life of a child star - including kidnap.

Regarded as one of the most skilled humor writers ever to write in English, Sir Pelham Grenville Wodehouse's works of fiction usually pillory the British upper classes that represented the social milieu into which he was born. In *The Adventures of Sally*, Wodehouse turned his attention to a young American heiress whose sudden wealth brings with it an array of unforeseen problems.

A collection of stories in which familiar characters and places are reintroduced in unfamiliar circumstances, reminding us - if we need reminding - of their author's limitless powers of comic invention. In the title story - one of Wodehouse's longest and best shorter fictions - Lord Emsworth takes his revenge on his ghastly secretary, the Efficient Baxter, setting off a wave of similar reprisals at Blandings Castle with amazing results. In other tales we meet several members of the Drones Club, while the final three reunite us with the ineffable Ukridge, more of whose ever-optimistic schemes for making easy money come to grief. A delightful meeting with old friends for some readers, a superb introduction to the world of Wodehouse for others.

Online Library Laughing Gas Pg Wodehouse

A collection of Wodehouse's fiction and non-fiction writing about Hollywood, its producers and stars, including two full-length novels: Laughing Gas and The Old Reliable. Mr Mulliner, Reggie Havershot and the obnoxious child star, Joey Cooley, make an appearance, as does W.C. Fields.

When Lady Maud Marsh, a passionate young woman, admits to her affluent family that she is in love with a poor man, they forbid her from leaving the house. Having met the man, Geoffrey, the previous summer in Wales, Maud is set on marrying him, but will not tell her family who he is. George Bevan is a bored and lonely composer from America who has valiant dreams of helping a damsel in distress. One night, after seeing a play, he gets his wish. After calling a taxi for himself, Maud, who had been out with her family, jumps in before he can and asks him to hide her. Though he did not know who she was, George thought Maud was attractive, and decided to help. While he creates a distraction, Maud sneaks off in hope of seeing Geoffrey. However, she is unsuccessful. Soon after, George discovers Maud's identity and visits her at home. When the two begin to grow closer as friends, Maud's family assumes that George is the man she loves. They tell George as much, warning him to stay away. As Maud dreams of seeing Geoffrey again, George is hoping to ask for her hand in marriage, while neither realize that they've been immersed in a love triangle. With charming prose and masterful description, *A Damsel in Distress* by P.G Wodehouse is a hilarious and touching romance, filled with dramatic love triangles and misunderstandings. *A Damsel in Distress* has been adapted into several film formats, including a silent film and a musical. Featuring classic romance and delightful humor, this P.G Wodehouse narrative proves to be timeless. Now presented in an easy-to-read font and with an eye-catching new cover design, this edition of *A Damsel in Distress* by P.G Wodehouse is accessible to a contemporary audience.

A P.G. Wodehouse novel *Château Blissac*, on its hill above St Roque, is in a setting where every prospect pleases. But it doesn't please its current occupier, J. Wellington Gedge. Mr Gedge wants none of it - and particularly none of the domineering Mrs Gedge's imperious wish that he should become American Ambassador to Paris. Instead he pines for the simpler life of California, where men are men and filling stations stand tall. Mrs Gedge has powerful allies - including the prohibitionist Senator Opal. But will she get her way? And will the Senator's delightful daughter Jane get her man? In a plot which involves safe-blowers, con men, jewel-thieves and even a Bloomsbury novelist, few are quite as they seem. But the heady atmosphere of France in the 1930s makes for one of Wodehouse's most delightful comedies.
