It's less of a book and more of a compilation of works. The book is full of letters, from artists all over the world, directed toward young aspiring artists, or really anyone with a passion. The book has no single author for there is no story line.

10 ⌵ Letters to a Young PoetRainer Maria Rilke ⌵ 11 Viareggio, near Pisa (Italy) April 23, 1903 You gave me much pleasure, dear Sir, with your Easter letter; for it brought much good news of you, and the way you spoke about Jacobsen's great and beloved art showed me that I was not wrong to guide your life and its many

From the most exciting individual in American theater” (Newsweek), here is Anna Deavere Smith’s brass tacks advice to aspiring artists of all stripes. In vividly anecdotal letters to the young BZ, she addresses the full spectrum of issues that people starting out will face: from questions of confidence, discipline, and self-esteem, to fame, failure, and fear, to staying healthy, presenting yourself effectively, building a diverse social and professional network, and using your art to promote social change. At once inspiring and no-nonsense, Letters to a Young Artist will challenge you, motivate you, and set you on a course to pursue your art without compromise.

Written in the form of letters to an aspiring artist, 'Letters to a Young Artist' includes Julia Cameron's hints on how to become an artist and encourage the creative flow. Full of exercises - she suggests, for example, writing 14 pages on anything every morning - and advice on an artist's approach to many aspects of life, including work and play, rest and exercise, adventure and security, relationships and sex, personal appearance. There are inspiring ideas on what to write about and invaluable encouragement in dealing with creative blocks and temporary failure.

RENOWNED ARTIST R. O. BLECHMAN'S illustrations are instantly recognizable. For more than fifty years, his work has appeared on the covers of The New Yorker, run alongside op-eds in The New York Times, graced the pages of Harper's Bazaar, and, more recently, been featured on The Huffington Post, providing unspoken commentary on the world at large. In Dear James, Blechman has compiled all the wisdom he has accumulated over the course of his esteemed career into a series of poignant yet instructive letters written to an imagined young illustrator, "James." The result is a wise and mesmerizing meditation on creativity. Flush with wit and candor, Blechman's correspondence delves into his own trash can of false starts and failed beginnings, in addition to his artistic triumphs, to offer James both encouragement and criticism. He urges him to reach his potential as an artist, advising him on practical aspects -- proper technique, choice of work environments, dealing with editors -- and along the way provides invaluable insights on art, and life, that lay bare the challenges James will face as he aims to be successful in this demanding field. In the tradition of Rilke's Letters to a Young Poet, Dear James is an indispensable tool for any up-and-coming creative person looking for advice and inspiration, as well as a memorable read for those daring enough to chase their dreams.

Essential reading for scholars, poetry lovers, and anyone with an interest in Rainer Maria Rilke, German poetry, or the creative impulse, these ten letters of correspondence between Rilke and a young aspiring poet reveal elements from the inner workings of his own poetic identity. The letters coincided with an important stage of his artistic development and readers can trace many of the themes that later emerge in his best works to these messages—Rilke himself stated these letters contained part of his creative genius.

Winner of the 2016 Marfield Prize In 1902, Rainer Maria Rilke—then a struggling poet in Germany—went to Paris to research and write a short book about the sculptor Auguste Rodin. The two were almost polar opposites: Rilke in his twenties, delicate and unknown; Rodin in his sixties, carnal and revered. Yet they fell into an instantaneous friendship. Transporting readers to early twentieth-century Paris, Rachel Corbett's You Must Change Your Life is a vibrant portrait of Rilke and Rodin and their circle, revealing how deeply Rodin's ideas about art and creativity influenced Rilke's classic Letters to a Young Poet.

Edited by Peter Nesbett, Sarah Andress and Shelly Bancroft.

Literary Nonfiction. Art. Rosemarie Beck (1923-2003) emerged from the second generation of Abstract Expressionists, though her tenure as an abstract painter was brief. By 1958, she had moved completely away from non-objective painting into figuration, a decision that would alter the course of her career. In addition to her five decades of visual work, Beck left behind volumes of letters, journals, and essays on art—ranging from formal analysis of the canon, her own work, and the works of her peers to LETTERS TO A YOUNG PAINTER, an epistolary lecture project. In the writings gathered here, Beck approaches her subjects in the same manner as she would have approached a complex narrative painting: through a richly textured combination of literary allusion, metaphor, direct observation, and autobiography. ROSEMARIE BECK: LETTERS TO A YOUNG PAINTER AND OTHER WRITINGS brings together a selection of Beck's writings for the first time, situating her distinctive voice within the milieu of mid-century artist-writers.

Artists' Letters is a treasure trove of carefully selected letters written by great artists, providing the reader with a unique insight into their characters and a glimpse into their lives. Arranged thematically, it includes writings and musings on love, work, daily life, money, travel and the creative process. On the theme of friendship, for example, letters provide evidence of a creative community between peers, with support and mutual appreciation that helps to dispel the myth of the artist as solitary genius. Letters between Vincent van Gogh and Paul Gauguin show an ongoing conversation and exchange of ideas. We see mutual admiration between Claude Monet and Berthe Morisot, and Picasso's quick notes to Jean Cocteau illustrate their closeness. Correspondence, some of which includes sketches and drawings, is reproduced with the transcript and some background and contextual information alongside. The book brings together a collection of treasures found in letters, which in our digital age are an increasingly lost art.

An expansive collection of love letters to books, libraries, and reading, from a wonderfully eclectic array of thinkers and creators.

Meeting House Essays in a series of papers reflecting on the mystery, beauty and practicalities of the place of worship. This popular series was begun in 1991, and each resource focuses on a particular aspect of space, design or materials and how they relate to the liturgy.
