 Book Details. Quote from Preface. Having taught life-span development every semester for three decades now, I'm always looking for ways to improve my course and A Topical Approach to Life-Span Development. Just as McGraw-Hill looks to those who teach the life-span development course for input, each year I ask the approximately 200 students in my life-span development course to tell me what they like about the course and the text, and what they think could be improved.
