Ben 10 universe. Voiced by: Heatblast is a Pyronite (pyro- meaning fire) from the star Pyros, a humanoid magma based life-form with the ability to control heat at will in various ways, including flight by firing at the ground to propel himself like a rocket. Pyronites are unable to lower their own body temperature, which prevents them

helped to create the superhero genre and establish its primacy within the American comic book. The character's appearance is distinctive and iconic: a blue, red and yellow costume, complete with cape, with a stylized "S" shield on his chest. This shield is now typically used across media to symbolize the character. The origin
