Modern armoured warfare began during the First World War of 1914 – 1918. Strategists wanted to break the tactical, operational and strategic stalemates forced on commanders on the Western Front by the effectiveness of entrenched defensive infantry armed with machine guns—known as trench warfare. Under these conditions, attacks usually advanced very slowly and incurred massive casualties.

Mechanized Warfare is like '80s melodic metal sensibilities colliding with 2002's heavy, fast-riffing production. It's a tasty combination. And not at all pretentious. This music sounds authentic to me, made by musicians who know their craft and are really into it. I haven't picked out favorite songs yet, although I like the first 3-4 a lot.
