Taming the monkey mind. By Sai Prianka B. It is 8:45 in the morning. Barely awake, the student jumps out of his bed. He checks his mobile for messages even as he brushes his teeth. With hardly ten minutes left for the first lecture, he hurriedly gets dressed. He orders whatever is instantly available in the hostel cafeteria, stuffs it in his mouth and rushes to class.

[Taming the monkey mind | Soulveda](#)

Using the terms chattering mind or monkey mind denigrates the mind God gave us. Should You Practice Mindfulness? Practicing Mindfulness meditation on a fairly regular basis may eventually lead the person to be open to or adopt the worldview behind it, because that is the purpose and effect of this meditation.
