Muse Mercy 3 Rebecca Lim
Muse, the third book of Mercy series isn't as silly and bad as some other badly written angel series, like: Hush, Hush and Fallen. The author has some refreshing ideas up her sleeves and the book is a quick, easy read. As long as you don't think too deeply into the details, then you'll be alright. Plus, the cover really is pretty.

Muse (Mercy, #3) by Rebecca Lim
"Subtly beautiful and utterly intriguing, Rebecca Lim's Mercy series brims with mystery and romance that pull readers through the veil between worlds real and mythical." Andrea Cremer, author of Nightshade. Praise for |Mercy|: |Mercy is a page-turning mystery with touches of romance. Rebecca Lim has created a modern-day Quantum leap for the teen set (but with angels): well-rounded ...

An angel in exile, caught between lives ... and loves Ages 13+ Mercy is an angel, exiled from heaven, and when she wakes in the body of nineteen-year-old Irina, Mercy discovers that she's one of the world's most infamous supermodels on the verge of a very public breakdown. Against the glamorous background of Milan's opulent fashion world, Mercy continues her increasingly desperate search for Ryan Daley, the mortal boy she remembers falling for in a past life. But this time, Mercy's memories and powers are growing ever stronger - and she begins to doubt the pleas of her dream lover, Luc, as more of her mysterious past is revealed. Are Luc's desires as selfless as her own or does he want her for a more terrifying purpose? the grand scale celestial battle for Mercy's soul builds to an incredible stormy crescendo as archangels and demons clash in a cataclysmic showdown that not all will survive ... 'a sinister and rather fabulous world' - THE AGE

An angel searching for answers, for her destiny... In the third MERCY paranormal romance, Mercy wakes in a new unknown host, her love for Ryan and Luc burning stronger than ever. But who will she make the ultimate sacrifice for?

An electric combination of angels, mystery and romance, MERCY is the first book in a major paranormal series.

An electric combination of angels, mystery and romance, EXILE is the breathtaking sequel to MERCY in this paranormal series.

Fourth installment of Rebecca Lim's MERCY series sees a climactic battle between free will and heavenly order. Ages:13+ Heartbreak. Vengeance. Fury. Mercy is an exiled angel cast down to earth and forced to live out thousands of different lives for her own protection. Betrayed by her eternal love, Luc, Mercy burns with fury, the time of reckoning is here and now she must wage open war with Luc and his demons. Ryan's love for Mercy is more powerful than ever, but loving an angel is mortally dangerous. As their two worlds collide, Mercy approaches her ultimate breathtaking choice. Hell hath no fury like Mercy ... 'a racy story of good and evil in a world where angels aren't all sweetness and light' - Sunday Herald Sun 'build[s] to an emotional and supernatural climax in the final book. Fury' - the Australian

All Mercy knows is that she is an angel, exiled from heaven for a crime she can't remember committing. So when she 'wakes' inside the body and life of eighteen-year-old Lela Neill, Mercy has only limited recall of her past life. Her strongest memories are of Ryan, the mortal boy who'd begun to fall for her - and she for him.

Meet Me at the Intersection is an anthology of short fiction, memoir andpoetry by authors who are First Nations, People of Colour, LGBTQIA+ orliving with disability. The focus of the anthology is on Australian life asseen through each author's unique, and seldom heard, perspective.With works by Ellen van Neerven, Graham Akhurst, Kyle Lynch, EzekielKwaymullina, Olivia Muscat, Mimi Lee, Jessica Walton, Kelly Gardiner,Rafeif Ismail, Yvette Walker, Amra Pajalic, Melanie Rodriga, Omar Sakr,Wendy Chen, Jordi Kerr, RebeccaLim, Michelle Aung Thin and AlicePang, this anthology is designed to challenge the dominant, homogenousstory of 'privilege and power that rarely admits &outsider' voices.

Aaron W. Marrs challenges the accepted understanding of economic and industrial growth in antebellum America with this original study of the history of the railroad in the Old South. Drawing from both familiar and overlooked sources, such as the personal diaries of Southern travelers, papers and letters from civil engineers, corporate records, and contemporary newspaper accounts, Marrs skillfully expands on the conventional business histories that have characterized scholarship in this field. He situates railroads in the fullness of antebellum life, examining how slavery, technology, labor, social convention, and the environment shaped their evolution. Far from seeing the Old South as backward and premodern, Marrs finds evidence of urban life, industry, and entrepreneurship throughout the region. But these signs of progress existed alongside efforts to preserve traditional ways of life. Railroads exemplified Southerners' pursuit of progress on their own terms: developing modern transportation while retaining a conservative social order. Railroads in the Old South demonstrates that a simple approach to do justice to its complexity and contradictions. -- Dr. Owen Brown and Dr. Gale E. Gibson

From the acclaimed and bestselling author of the Mercy series and The Astrologer's Daughter.Since her parents died in a freak motorbike accident, Sophie Teague's life has fallen apart.But she's just enrolled at a new high school, hoping for a fresh start.That's until Eve, a beautiful ghost in black, starts making terrifying nightly appearances, wanting Sophie to be her hands, eyes and go-to girl.There are loose ends that Eve needs Sophie to tie up.
