Summer of Sarah MacLean: Never Judge a Lady by Her Cover. By: Jacqueline Lee. On: July 23, 2020. In: Books, Features. Never Judge a Lady by Her Cover is Sarah MacLean's THRILLING conclusion to the Rule of Scoundrels series. This book tells the love story of Georgiana and Duncan, but also reveals the identity of Chase the head of The Fallen Angel. Despite being a reread for me – it felt like a brand new book due to all the delightful Easter eggs MacLean placed throughout the book!

Never Judge a Lady by Her Cover (16) As the words were not a question, it was easy for West not to answer. Instead, he exited the ballroom, hesitating at its edge as the orchestra finished its set, looking back over the crowd, watching the throngs of aristocrats revel in their money and power and idyll. They did not understand what fortune smiled upon them.

RITA® Award-winning author Sarah MacLean reveals the identity of The Fallen Angel's final scoundrel in the spectacular conclusion to her New York Times bestselling Rules of Scoundrels series . . . By day, she is Lady Georgiana, sister to a duke, ruined before her first season in the worst kind of scandal. But the truth is far more shocking—in London's darkest corners, she is Chase, the mysterious, unknown founder of the city's most legendary gaming hell. For years, her double identity has gone undiscovered . . . until now. Brilliant, driven, handsome-as-sin Duncan West is intrigued by the beautiful, ruined woman who

is somehow connected to a world of darkness and sin. He knows she is more than she seems, and he vows to uncover all of Georgiana's secrets, laying bare her past, threatening her present, and risking all she holds dear . . . including her heart.

Lady Alexandra Stafford shows no interest in the pleasures enjoyed by Regency London society, preferring to seek adventure as she helps the devilishly handsome Gavin investigate the murder of his father, the Earl of Blackmoor.

Lady Philippa Marbury is . . . odd The brilliant, bespectacled daughter of a double marquess cares more for books than balls, for science than the season, and for laboratories than love. She's looking forward to marrying her simple fiancé and living out her days quietly with her dogs and her scientific experiments. But before that, Pippa has two weeks to experience all the rest—fourteen days to research the exciting parts of life. It's not much time, and to do it right she needs a guide familiar with London's darker corners. She needs . . . a Scoundrel She needs Cross, the clever, controlled partner in London's most exclusive gaming hell, with a carefully crafted reputation for wickedness. But reputations often hide the darkest secrets, and when the unconventional Pippa boldly propositions him, seeking science without emotion, she threatens all he works to protect. He is tempted to give Pippa precisely what she wants . . . but the scoundrel is more than he seems, and it will take every ounce of his willpower to resist giving the lady more than she ever imagined.

New York Times bestselling author Sarah MacLean has taken the world of historical romance fiction by storm! With A Rogue

Get Free Never Judge A Lady By Her Cover The Fourth Rule Of Scoundrels Rules Of

by Any Other Name, she once again boldly breaks new ground. The first book in her remarkably fresh and original Fallen Angels series—featuring four dark Regency Era heroes who will steal the hearts of their heroines and the readers alike—A Rogue will captivate fans of Julia Quinn and Suzanne Enoch while bringing new romance readers eagerly into the fold. The scintillating story of a disgraced Marquess reduced to running a London gambling hall who hopes to restore his good fortune by marrying a very proper lady who's secretly drawn to sin, A Rogue by Any Other Name is sexy and wicked fun.

A rogue ruined . . . He is the Killer Duke, accused of murdering Mara Lowe on the eve of her wedding. With no memory of that fateful night, Temple has reigned over the darkest of London's corners for twelve years, wealthy and powerful, but beyond redemption. Until one night, Mara resurfaces, offering the one thing he's dreamed of . . .
absolution. A lady returned . . . Mara planned never to return to the world from which she'd run, but when her brother falls deep into debt at Temple's exclusive casino, she has no choice but to offer Temple a trade that ends in her returning to society and proving to the world what only she knows...that he is no killer. A scandal revealed . . . It's a fine trade, until Temple realizes that the lady—and her past—are more than they seem. It will take every bit of his strength to resist the pull of this mysterious, maddening woman who seems willing to risk everything for honor . . . and to keep from putting himself on the line for love.

Lady Sophie's Society Splash When Sophie, the least interesting of the Talbot sisters, lands her philandering brother-in-law backside-first in a goldfish pond in front of all society, she becomes the target of very public aristocratic

Get Free Never Judge A Lady By Her Cover The Fourth Rule Of Scoundrels Rules Of

Scorn. Her only choice is to flee London, vowing to start a new life far from the aristocracy. Unfortunately, the carriage in which she stows away isn't saving her from ruin . . . it's filled with it. Rogue's Reign of Ravishment! Kingscote, "King," the Marquess of Eversley, has never met a woman he couldn't charm, resulting in a reputation far worse than the truth, a general sense that he's more pretty face than proper gentleman, and an irate summons home to the Scottish border. When King discovers stowaway Sophie, however, the journey becomes anything but boring. War? Or More? He thinks she's trying to trick him into marriage. She wouldn't have him if he were the last man on earth. But carriages bring close quarters, dark secrets, and unbearable temptation, making opposites altogether too attractive . . .

Lonesome Lily turned Scandalous Siren Miss Lillian Hargrove has lived much of her life alone in a gilded cage, longing for love and companionship. When an artist offers her pretty promises and begs her to pose for a scandalous portrait, Lily doesn't hesitate . . . until the lying libertine leaves her in disgrace. With the painting now public, Lily has no choice but to turn to the one man who might save her from ruin.

Highland Devil turned Halfhearted Duke The Duke of Warnick loathes all things English, none more so than the aristocracy. It does not matter that the imposing Scotsman has inherited one of the most venerable dukedoms in Britain—he wants nothing to do with it, especially when he discovers that the unwanted title comes with a troublesome ward, one who is far too old and far too beautiful to be his problem. Tartan Comes to Town Warnick arrives in London with a single goal: get the chit married and see her become someone else's problem, then return to a normal, quiet life in Scotland. It's the perfect plan, until Lily declares she'll only marry for love . . . and the Scot finds that there is one thing in England he likes far too
