Discrete Mathematics for New Technology Second Edition ...

mathematics curriculum. The second trend we have identified is that of a new unification of mathematics. This is discussed at some length in [3], so we will not go into great detail here. We would only wish to add to the discussion in [3] the remark that this new unification is clearly discernible within mathematical research itself.

Current Trends in Mathematics

As many educators point out, the trend toward emphasizing algebraic thinking, problem solving, and communication in K – 6 school mathematics is not a new trend. Still, as NCTM's Cathy Seeley acknowledges, “ Making that change is pretty challenging. ” It's helpful, therefore, to keep in mind that Young learners can be high-level learners.
