Training is focused and incremental, requiring the guidance of an experienced master. In Authentic Iron Palm, author, instructor, and five-time US National Chinese martial arts Champion Phillip Starr provides the definitive guide to Iron Palm. He meticulously outlines the three sequential steps of training: hardening limbs, developing technique, and engaging Qigong for coordinating breath and mind. The end result is a more powerful and precise strike that can impact the target's viscera (with no trace on the outer body).
