The Ordinary Parent's Guide to Teaching Reading offers an inexpensive but thorough approach to teaching reading. The approach is "explicit phonics." It begins with identification of letters and sounds. Children would benefit from being able to recognize the letters in the alphabet and knowing their sequence before starting the lessons.

The Ordinary Parent's Guide has been the best, most thorough scope and sequence I've seen....just add some fluff to your reading time to keep kids engaged. Honestly, there is NO single magical resource that does EVERYTHING a reading program needs to do...common sense, adjusting, and listening to your kids is necessary no matter what is chosen.
