A short introduction to the Affiliated gangland fiction series. Gerry London is a small time villain and his partner in crime is his best mate Ken Jackson. Their friendship disintegrates when Gerry begins a relationship with Val Murphy. Her father is Niall Murphy a high profile crime boss, who has already taken a dislike to Ken, which is made worse when he spots him disrespecting Val. Ken ends up in hospital and is left with a permanent reminder of his run in with Niall, and a determination to get even.

bestselling author Jennifer L. Armentrout returns to the world of the Lux with *The Burning Shadow*, the steamy, shocking second installment of the Origin series that will leave readers reeling. When Evelyn Dasher crossed paths with Luc, she was thrown headfirst into the world of the Lux—only to discover that she was already far more involved in their world than she ever suspected. Because the Luxen aren't the only ones with a hidden past. There's a gap in Evie's memory, lost months of her life and a lingering sense that something happened, something she can't remember

and nobody is willing to tell her. She needs to find out the truth about who she is—and who she was. But every answer she finds only brings up more questions. Her search for the truth brings her ever closer to Luc, the Origin at the center of it all. He's powerful, arrogant, inhumanly beautiful, extremely dangerous...and possibly in love with her. But even as Evie falls for him, she can't help but wonder if his attraction is to her, or to the memory of a girl who no longer exists. And all the while, a new threat looms: reports of a flu-like, fatal virus that

tradition that goes back hundreds of years, and brought this to a high pitch that enabled astounding victories over serious external threats. On the other hand, as time went on, it was increasingly confronted with "modern" problems that would necessitate fundamental changes in its structure and content. The Mamluk period was one of great religious and social change, and in many ways the modern demographic map was established at this time. This volume shows that the situation of the Mamluk Sultanate was far from that of decadence, and until the

This edition covers the history of the suffragist movement from its beginnings to 1885. It was written and edited by Elizabeth Cady Stanton, Susan B. Anthony and Matilda Joslyn Gage. Anthony had for years saved letters, newspapers clippings, and similar materials of historical value to the women's suffrage movement. Therefore, in addition to chronicling the movement's

This illustrated text teaches electrophysiology and cardiology fellows-in-training the concept of connecting ventricular arrhythmias' QRS morphology with the arrhythmia site of origin. Thirty case studies, including multimodality imaging and anatomy data, illustrate the precise locations of the sites of origin of different ventricular arrhythmias. Mapping approaches are discussed, with an emphasis on how the 12-lead ECG helps to identify critical sites of the arrhythmias. Illustrated with 106 figures
