Personal Finance for the Real World teaches the basics of personal finance by involving the reader in various financial exercises and eventually constructing a personal financial plan. Users not only track their spending for a month, but also set personal financial goals and incorporate them into a realistic budget. This book also teaches time-value of money calculations, which enable readers to calculate their necessary monthly savings in order to reach targeted investment goals. This book conducts a thorough review of credit, complete with strategies to pay off credit card and other forms of debt. It features discussions on student debt as well, with particular attention to appropriate pay-down strategies and the financial payoffs to different academic majors. Personal Finance for the Real World immerses users in real and purposeful financial activities, while teaching personal finance vocabulary and encouraging readers to take seriously the financial side of their lives.

Encourage students to apply financial concepts to their own lives. Chapters include explanations and student activities focusing on banking, insurance, and investments.

" ?Is this the right book for me? The world of finance and accountancy can seem one of impenetrable mystery but it is one that many managers have to face in their day to day lives. With its comprehensive coverage of the subject, this book allows you not only to ask pertinent questions but also to understand the answers. Chapter by chapter, the workings of finance are mapped out and laid bare - the formal reports, the methods used to prepare the numbers and what accountants actually do every day. This edition is fully updated to reflect current allowances, rates and regulations and further information. It also includes even more questions (with comprehensive answers) to challenge the reader's understanding. Finance for Non-Financial Managers includes: Chapter 1: The purpose of accounting Chapter 2: Basic terminology Chapter 3: Accounting concepts and principles Chapter 4: The profit and loss account Chapter 5: The balance sheet Chapter 6: The cash flow statement Chapter 7: Ratio analysis Chapter 8: Users of financial information Chapter 9: The general ledger Chapter 10: Costing Chapter 11: Standard costing Chapter 12: Variance analysis Chapter 13: Two more things on costing Chapter 14: The audit of annual accounts Chapter 15: Tricks of the trade Chapter 16: Financial information for managers Chapter 17: Capital investment appraisal: experts only! Chapter 18: Activities of an Accounts department Chapter 19: Cash flow management Chapter 20: Corporate financial planning Chapter 21: Personal finance: income tax and national insurance Chapter 22: Personal finance: investment Chapter 23: Personal finance: capital gains tax and others Learn effortlessly with a new easy-to-read page design and interactive features: Not got much time? One, five and ten-minute introductions to key principles to get you started. Author insights Lots of instant help with common problems and quick tips for success, based on the author's many years of experience. Test yourself Tests in the book and online to keep track of your progress. Extend your knowledge Extra online articles to give you a richer understanding of the subject. Five things to remember Quick refreshers to help you remember the key facts. Try this Innovative exercises illustrate what you've learnt and how to use it.?"

Personal Finance For Canadians For Dummies, 5th Edition, is a comprehensive roadmap to financial security. Expert authors Eric Tyson and Tony Martin offer pointers on eliminating debt and reining in spending, along with helpful tips on reducing taxes. This friendly guide provides comprehensive coverage of all basic money management principles. Enables readers to understand not only the implications of far-reaching events but also the fundamental knowledge to navigate the world of personal finance. Describes how to effectively manage personal assets- from buying and selling to investing, insuring, planning and preparing income taxes.

Get these two great books in one convenient ebook bundle! Personal Finance For Canadians For Dummies, Fifth Edition, is a comprehensive road map to financial security. Expert authors Eric Tyson and Tony Martin offer pointers on eliminating debt and reining in spending, along with helpful tips on reducing taxes. Learn how to build wealth to ensure a comfortable retirement and tuition for the kids with a primer on investing. Using up-to-date Canadian examples and references, Personal Finance For Canadians For Dummies, Fifth Edition provides you with the tools you need to take control of your financial life—in good times and bad. Making your own investment decisions can be intimidating and overwhelming. Investors have a huge array of investment options to choose from, and sorting through the get-rich-quick hype can be exhausting. Investing For Canadians For Dummies provides readers with a clear-headed, honest overview of the investing landscape, helping them to determine what investments are right for their goals. New for the Third Edition: The US sub-prime loan disaster, and how it can be an investing opportunity Up-to-date information about new mutual funds and mutual fund alternatives, such as exchange-traded funds Perspectives on buying a home in hot real estate markets like Calgary, Montreal, and Halifax Valuable advice on the best way to cut start-up costs and minimize tax charges when starting a new business New RRSP and RESP information, and advice on what to do with new allowable contribution levels

There is increasing pressure for all of us to take responsibility for our own financial security and wellbeing, but we often overlook how the benefits that come with a job can help us do that. Essential Personal Finance: A Practical Guide for Employees focuses on these valuable work benefits and shows how you can build on this important foundation to achieve financial security and your life goals. This unique book explores how making effective and practical use of these work benefits (such as pension scheme, life cover, sick pay, cheap loans, savings schemes and even financial coaching), means facing up to the behavioural biases we are all plagued with. Given that these can get in the way of even the best intentions, Essential Personal Finance tackles these biases head-on with practical ideas and tips for overcoming or harnessing them for good, and will help you to develop a positive and fruitful relationship with your money. With financial stress being a major cause of absenteeism and sick leave, low morale and lost productivity, the advice in this book also offers employers enormous benefits. By empowering employees through financial education and financial awareness, progressive employers will help them feel more in control of their lives, and experience less stress, resulting in higher morale and productivity. Offering a distinctive approach which combines academic insight with practical financial wisdom and tools, this is a must-have book for all employees. It will help you make the most of everything your job has to offer so you can worry less about money and live life to the full.

Now updated-the proven guide to taking control of your finances The bestselling Personal Finance For Dummies has helped countless readers budget their funds successfully, rein in debt, and build a strong foundation for the future.
