Selected by Michael Cox - AbeBooks

'The Mixer, by Michael Cox is a very unusual football
writer in that he specialises in the game as it's
actually played, rather than the gossip or folklore
around it. The Mixer is a tactical history of the English
Premier League, with telling anecdotes on every page.
It's deeply informed and a pleasure to read.'

US Foreign Policy - Google Books

His most recent books include an edited volume with Professor Michael Cox (of the London School of Economics) entitled US foreign policy (Oxford University Press, 2008; 2nd edition 2012; 3rd edition 2018) and Energy Security and American Hegemony (Johns Hopkins University Press in June 2010). Stokes is currently working on a new book on Transatlantic grand strategy, the ways in which the US can help stymie decline and the implications of US strategic retrenchment for European security.
