The Millionaire Real Estate Mindset: Mastering the Mental Skills to Build Your Fortune in Real Estate There are scores of books on real estate investing on the market today, and most give sound information and helpful advice. Yet few people have become wealthy. In The Millionaire Real Estate Mindset, Russ Whitney asks, "Why isn't everyone rich?" and perhaps more important, "Why aren't you rich?" What is missing in most people's real estate strategy, Whitney says, is the millionaire real estate mindset. And, in this book, he tells readers exactly how to develop one. Whitney explains how you can break free of the fears that hold so many people back. A key part of succeeding in real estate, Whitney claims, is a willingness to spend

time educating yourself about the various techniques, options, insights, and possibilities it entails. Other professions and trades require years of education and practice before you can hope to generate significant income. Building wealth in real estate requires similar focus and dedication. He provides specific investing strategies that can work in virtually any market, whether you have cash to start, or not. Once you have a few successes under your belt, he encourages investors to move up to larger deals. He explains the complexities of raw land investing and development as well as international real estate investing. He examines a variety of funding techniques, from no-money-down to syndications to make the wisest use of your cash. Whitney candidly discusses what can go wrong and how to anticipate and address unpleasant surprises. From invaluable insights into personal motivation, to advice on improving one's communication skills, strengthening relationships, and building personal financial strategies, Whitney helps readers overcome feelings of insecurity about investing and move into the market with certainty and self-assurance. With its unique focus on the psychological aspects of investing—an ingredient missing from other how-to real-estate investment guides—The Millionaire Real Estate Mindset will enable readers to break through the "poverty" mentality, take advantage of the booming real estate market, and join the ranks of the rich and superrich.

Home staging strategies needed to succeed in a down market Whether a buyer, seller, or real estate agent, the home selling and purchasing process is fraught with potholes that can usually be overcome. But in this weakened housing market, everyone involved in the selling process must increase their efforts. In order to sell homes at top dollar, houses must be "prepared for sales." That's where Staging comes in. The real estate mantra is no longer location, location, location. It is now Staging, Staging, Staging! It's all about presentation. In Staging to Sell, Barb Schwarz, The Creator of Home Staging®, offers her winning tactics, secrets, and strategies for selling a home at top dollar during these challenging times. In addition to offering specific tips on how to Stage a home, Schwarz, a sought-after speaker and Real Estate broker who has Staged and sold over 5,000 homes, provides readers, sellers, Realtors® and Stagers, with useful advice on correctly pricing properties, marketing properties so that they sell, addressing objections early on, having the seller handle the Staging before the house is viewed, and much more. Written with today's turbulent real estate market in mind, Staging to Sell contains the information readers need to get their homes Sold in the market quickly for top dollar.
