Redefining Health Care: Creating Value-based Competition on Results. Redefining Health Care. : Michael E. Porter, Elizabeth Olmsted Teisberg. Harvard Business Press, Apr 24, 2006 - Business & Economics - 528 pages. 2 Reviews. The U.S. health care system is in crisis. At stake are the quality of care for millions of Americans and the financial well-being of individuals and employers squeezed by skyrocketing premiums-not to mention the stability of state and federal government budgets.

*Redefining Health Care: Creating Value-based Competition ...*

Porter and Teisberg have a convincing, indeed compelling argument in support of value-based competition on results in health care within a system which is "ripe for change"...and change for the better but not for the costlier if competition in health care is redefined and then conducted as Porter and Teisberg advocate.

Redefining Health Care: Creating Value-Based Competition on Results Michael E. Porter and Elizabeth Olmsted Teisberg Harvard Business School Press In this volume, Porter and Teisberg examine health care issues in three broad areas: "The first is the cost of and access to health insurance. The second is standards for coverage, or the types of care that should be covered by insurance versus being the responsibility of the individual.

*Redefining Health Care: Creating Value-Based Competition ...*

In 2006, Michael Porter published the book Redefining Health Care: Creating Value-Based Competition on Results, which set in motion the transition to a system of Value-Based Healthcare (VBHC). VBHC has since become a hot-button issue in the healthcare sector, with many organisations struggling with the question of where to start and how to make the value of healthcare even more transparent.
