Think Game of Thrones meets Buffy the Vampire Slayer with a drizzle of E.L. James - Telegraph Perfect for fans of Jessica Jones and True Blood, this is a blockbuster modern fantasy set in a divided world where one woman must uncover the truth to seek her revenge. Half-Fae, half-human Bryce Quinlan loves her life. Every night is a party and Bryce is going to savour all the pleasures Lunathion – also known as Crescent City – has to offer. But then a brutal murder shakes the very foundations of the city, and brings Bryce's world crashing down. Two years later, Bryce still haunts the city's most notorious nightclubs – but seeking only oblivion now. Then the murderer attacks again. And when an infamous Fallen angel, Hunt Athalar, is assigned to watch her every footstep, Bryce knows she can't forget any longer. As Bryce and Hunt fight to unravel the mystery, and their own dark pasts, the threads they tug ripple through the underbelly of the city, across warring continents, and down to the deepest levels of Hel, where things that have been sleeping for millennia are beginning to stir ... With unforgettable characters and page-turning suspense, this richly inventive new fantasy series by #1 New York Times bestselling author Sarah J. Maas delves into the heartache of loss, the price of freedom – and the power of love.

Heartless, mechanical cruelty meets dogged human courage and perseverance! In the aftermath of the events in James Cameron's The Terminator (1984), John Connor sends a strike team into the past to destroy Cyberdyne, the company that will eventually create the world-controlling computer Skynet. But the machines counter by sending a team of Terminators to block the attempt—turning Los Angeles into a war zone! Before Terminator 2: Judgment Day or any of the other film sequels, Dark Horse Comics carried the torch for the Terminator saga, creating a continuity that carried the action across the world and across time. The story in this volume, by John Arcudi and Chris Warner, paved the way for a rich parade of sequel tales. Also included in this volume: The Terminator: One Shot, by writer James Robinson and artist Matt Wagner! Introduction by John Arcudi.

It's been years since Abby O'Brien Winters set foot in Chesapeake Shores. The Maryland town her father built has too many sad memories and Abby too few spare moments, thanks to her demanding Wall Street career, the crumbling of her marriage and energetic daughters. Then one panicked phone call from her youngest sister brings her racing back home to protect Jess's dream of renovating the charming Inn at Eagle Point. But saving the inn from foreclosure means dealing not only with her own fractured family, but also with Trace Riley, the man Abby left ten years ago. Trace can be a roadblock to her plans—or proof that second chances happen in the most unexpected ways. Don't forget to check out The Sweet Magnolias, another great series from Sherryl and a Netflix Original Series!

From the winner of the Nobel Prize in Literature, here is the universally acclaimed novel—winner of the Booker Prize and the basis for an award-winning film. This is Kazuo Ishiguro's profoundly compelling portrait of Stevens, the perfect butler, and of his fading, insular world in post-World War II England. Stevens, at the end of three decades of service at Darlington Hall, spending a day on a country drive, embarks as well on a journey through the past in an effort to reassure himself that he has served humanity by serving the "great gentleman," Lord Darlington. But lurking in his memory are doubts about the true nature of Lord Darlington's "greatness," and much graver doubts about the nature of his own life.

NEW YORK TIMES BESTSELLER • NOW A TNT ORIGINAL SERIES • "A first-rate tale of crime and punishment that will keep readers guessing until the final pages."—Entertainment Weekly "Caleb Carr's rich period thriller takes us back to the moment in history when the modern idea of the serial killer became available to us."—The Detroit News When The Alienist was first published in 1994, it was a major phenomenon, spending six months on the New York Times bestseller list, receiving critical acclaim, and selling millions of copies. This modern classic continues to be a touchstone of historical suspense fiction for readers everywhere. The year is 1896. The city is New York. Newspaper reporter John Schuyler Moore is summoned by his friend Dr. Laszlo Kreizler—a psychologist, or "alienist"—to view the horribly mutilated body of an adolescent boy abandoned on the unfinished Williamsburg Bridge. From there the two embark on a revolutionary effort in criminology: creating a psychological profile of the perpetrator based on the details of his crimes. Their dangerous quest takes them into the tortured past and twisted mind of a murderer who will kill again before their hunt is over. Fast-paced and riveting, infused with historical detail, The Alienist conjures up Gilded Age New York, with its tenements and mansions, corrupt cops and flamboyant gangsters, shining opera houses and seamy gin mills. It is an age in which questioning society's belief that all killers are born, not made, could have unexpected and fatal consequences. Praise for The Alienist "[A] delicious premise . . . Its settings and characterizations are much more sophisticated than the run-of-the-mill thrillers that line the shelves in bookstores."—The Washington Post Book World "Mesmerizing."—Detroit Free Press "The method of the hunt and the disparate team of hunters lift the tale beyond the level of a good thriller—way beyond. . . . A remarkable combination of historical novel and psychological thriller."—The Buffalo News "Engrossing."—Newsweek "Gripping, atmospheric . . . intelligent and entertaining."—USA Today "A high-spirited, charged-up and unfailingly smart thriller."—Los Angeles Times "Keeps readers turning pages well past their bedtime."—San Francisco Chronicle

#1 NEW YORK TIMES BESTSELLER • NOW A NETFLIX ORIGINAL SERIES With a career, a boyfriend, and a loving family, Piper Kerman barely resembles the reckless young woman who delivered a suitcase of drug money ten years before. But that past has caught up with her. Convicted and sentenced to fifteen months at the infamous federal correctional facility in Danbury, Connecticut, the well-heeled Smith College alumna is now inmate #11187-424—one of the millions of people who disappear "down the rabbit hole" of the American penal system. From her first strip search to her final release, Kerman learns to navigate this strange world with its strictly enforced codes of behavior and arbitrary rules. She meets women from all walks of life, who surprise her with small tokens of generosity, hard words of wisdom, and simple acts of acceptance. Heartbreaking, hilarious, and at times enraging, Kerman's story offers a rare look into the lives of women in prison—why it is we lock so many away and what happens to them when they're there. Praise for Orange Is the New Black "Fascinating . . . The true subject of this unforgettable book is female bonding and the ties that even bars can't unbind."—People (four stars) "I loved this book. It's a story rich with humor, pathos, and redemption. What I did not expect from this memoir was the affection, compassion, and even reverence that Piper Kerman demonstrates for all the women she encountered while she was locked away in jail. I will never forget it."—Elizabeth Gilbert, author of Eat, Pray, Love "This book is impossible to put down because [Kerman] could be you. Or your best friend. Or your daughter."—Los Angeles Times "Moving . . . transcends the memoir genre's usual self-centeredness to explore how human beings can always surprise you."—USA Today "It's a compelling awakening, and a harrowing one—both for the reader and for Kerman."—Newsweek
