One of the most common problems with Christians in our modern secularized world is that they don't feel the reality of Jesus. Sure, they believe in him and love him, but he somehow doesn't seem to enter their daily lives in a real sense. Some might say, "You ought to pray more." Others would advise, "You ought to witness more."

Seeing Is Believing: Experience Jesus through Imaginative ...

God says, "If you will believe, you will be able to see." In God's economy, belief always precedes sight. The ninth chapter of the gospel according to John is not only an account of a blind man's healing by Jesus, but it is also an illustration of salvation.

Experiencing Jesus will teach readers how to use God's gracious gift of creative imagination to know him better and feel his presence in their daily lives. PUBLISHERS WEEKLY FEB 23, 2004 Boyd, author of Letters from a Skeptic and God of the Possible, makes a powerfully persuasive argument for the use of imaginative prayer by Christians, then outlines a method for beginning the practice.

Break out of spiritual performance into a liberating relationship with Christ. Experience the reality of Jesus through the imaginative power of prayer.

In some way or another most of us are "stuck"-in a secret sin we can't control or maybe by an inability to stand up for ourselves. In Escaping the Matrix, authors Gregory A. Boyd and Al Larson use the vehicle of The Matrix film trilogy to argue that our struggles with habitual sin, thought patterns, damaged emotions, and phobias happen because we do not know how to take charge of the way we experience reality. The authors draw on biblical and psychological insights to provide practical resources for helping believers escape the matrix of the world system that ensnares them. While this book is aimed at the newest generation of Christian readers, all ages will be inspired by the book's innovative strategies for experiencing a deeper life in Christ.

In Benefit of the Doubt, influential theologian, pastor, and bestselling author Gregory Boyd invites readers to embrace a faith that doesn't strive for certainty, but rather for commitment in the midst of uncertainty. Boyd rejects the idea that a person's faith is as strong as it is certain. In fact, he makes the case that doubt can enhance faith and that seeking certainty is harming many in today's church. Readers who wrestle with their faith will welcome Boyd's message that experiencing a life-transforming relationship with Christ is possible, even with unresolved questions about the Bible, theology, and ethics. Boyd shares stories of his own painful journey, and stories of those to whom he has ministered, with a poignant honesty that will resonate with readers of all ages.

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

Is your worldview enlightened enough to accommodate both science and God at the same time? Dr. Michael Guillen, a best-selling author, Emmy award-winning journalist and former physics instructor at Harvard, used to be an Atheist—until science changed his mind. Once of the opinion that people of faith are weak, small-minded folks who just don't understand science, Dr. Guillen ultimately concluded that not only does science itself depend on faith, but faith is actually the mightiest power in the universe. In Believing Is Seeing, Dr. Guillen recounts the fascinating story of his journey from Atheism to Christianity, citing the latest discoveries in neuroscience, physics, astronomy, and mathematics to pull back the curtain on the mystery of faith as no one ever has. Is it true that “seeing is believing?” Or is it possible that reality can be perceived most clearly with the eyes of faith—and that truth is bigger than proof? Let Dr. Guillen be your guide as he brilliantly argues for a large and enlightened worldview consistent with both God and modern science.

How do we help our kids connect with God and experience his presence? Jared Patrick Boyd has discovered that children's spiritual formation is rooted in the imagination. This unique resource helps us guide our children through weekly sessions of imaginative prayer, providing a yearlong experience of spiritual formation.

Renowned pastor-theologian Gregory A. Boyd tackles the Bible's biggest dilemma. The Old Testament God of wrath and violence versus the New Testament God of love and peace—it's a difference that has troubled Christians since the first century. Now, with the sensitivity of a pastor and the intellect of a theologian, Gregory A. Boyd proposes the "cruciform hermeneutic," a way to read the Old Testament portraits of God through the lens of Jesus' crucifixion. In Cross Vision, Boyd follows up on his epic and groundbreaking study, The Crucifixion of the Warrior God. He shows how the death and resurrection of Jesus reframes the troubling violence of the Old Testament, how all of Scripture reveals God's self-sacrificial love, and, most importantly, how we can follow Jesus' example of peace.

NEW YORK TIMES BESTSELLER From one of the world's most influential spiritual thinkers, a long-awaited book exploring what it means that Jesus was called "Christ," and how this forgotten truth can restore hope and meaning to our lives. "Anyone who strives to put their faith into action will find encouragement and inspiration in the pages of this book."—Melinda Gates In his decades as a globally recognized teacher, Richard Rohr has helped millions realize what is at stake in matters of faith and spirituality. Yet Rohr has never written on the most perennially talked about topic in Christianity: Jesus. Most know who Jesus was, but who was Christ? Is the word simply Jesus's last name? Too often, Rohr writes, our understandings have been limited by culture, religious debate, and the human tendency to put ourselves at the center. Drawing on scripture, history, and spiritual practice, Rohr articulates a transformative view of Jesus Christ as a portrait of God's constant, unfolding work in the world. "God loves things by becoming them," he writes, and Jesus's life was meant to declare that humanity has never been separate from God—except by its own negative choice. When we recover this fundamental truth, faith becomes less about proving Jesus was God, and more about learning to recognize the Creator's presence all around us, and in everyone we meet. Thought-provoking, practical, and full of deep hope and vision, The Universal Christ is a landmark book from one of our most beloved spiritual writers, and an invitation to contemplate how God liberates and loves all that is.

We human beings are burdened by our tendencies to harshly judge others and ourselves. Unfortunately for believers, this bent is as prevalent in the church as in the world. Pastor and author Gregory A. Boyd calls readers to a higher standard through understanding the true manner in which God views humanity: as infinitely worthwhile and lovable. Only an attitude shift in how we perceive ourselves in light of God's love can impact how we relate to people and transform our judgmental nature. Believers wrestling with the reality of God's love and Christians struggling with judging in the local church will appreciate this examination of how we move from a self-centered to a Christ-centered life.

"Magisterial. . . . A learned, brilliant and enjoyable study."—Géza Vermès, Times Literary Supplement In this exciting book, Paula Fredriksen explains the variety of New Testament images of Jesus by exploring the ways that the new Christian communities interpreted his mission and message in light of the delay of the Kingdom he had preached. This edition includes an introduction reviews the most recent scholarship on Jesus and its implications for both history and theology. "Brilliant and lucidly written, full of original and fascinating insights."—Reginald H. Fuller, Journal of the American Academy of Religion "This is a first-rate work of a first-rate historian."—James D. Tabor, Journal of Religion "Fredriksen confronts her documents—principally the writings of the New Testament—as an archaeologist would an especially rich complex site. With great care she distinguishes the literary images from historical fact. As she does so, she explains the images of Jesus in terms of the strategies and purposes of the writers Paul, Matthew, Mark, Luke, and John."—Thomas D'Evelyn, Christian Science Monitor
