ancient Japanese art of shibori on modern fabrics for commercial and residential applications.

Shibori

Shibori is the Japanese term (from the word meaning "to squeeze or wring") for the dye-resist technique of binding,

Read PDF Shibori For Textile Artists

clamping or gathering the cloth so that the dye cannot reach certain parts. The result is a most powerful combination: a carefully structured design with the organic freedom of the unpredictable.

Shibori for Textile Artists by Janice Gunner

Read PDF Shibori For Textile Artists

Like other forms of textile expression, shibori will survive and even thrive as long as artists continue to search for the creative possibilities in combining high-tech with handwork. In the 21st century, we need technology to serve human needs—finding ways to conserve and replenish limited resources and using them
